THE PURPOSE OF COLUMBIA ACADEMY

Columbia Academy has as its primary aim the development of men and women for responsible leadership and well-rounded lives of useful service to their fellow men, their country, and God. Columbia Academy was founded upon and is operated by Christian beliefs and doctrine.

Columbia Academy concerns itself with the lives of the students on the campus as well as in the classroom. It is concerned that students conduct themselves at all times as ladies and gentlemen, that they make a voluntary commitment to the moral principles and spiritual values upon which our free and Christian society is founded, and that they develop an emotional balance based upon respect for self and for others. Furthermore, the students are expected to be men and women of integrity, to be honest and trustworthy in every area of their lives; in the classroom, on campus, and in their community and to respect the rights and property of others.

Columbia Academy will provide a climate for high-quality learning with special emphasis on educating for knowledgeable, intelligent, responsive participation in the home, the community, and a career, and will stress the need for all students to continue their learning throughout their lives in order to be effective and worthy members of a rapidly changing society.

HANDBOOK SCOPE

HANDBOOK AMENDMENTS

This handbook is a summary of rules, policies and procedures of Columbia Academy. The Board of Directors and Headmaster reserve the right to add, modify, or delete any rule, policy or procedure contained herein without prior notice. This information is for the use of parents and students as guides and does not constitute a legal contract or document.

HEADMASTER AUTHORITY

The rules and regulations set out in this Handbook have been adopted by the Board of Directors as the policy for Columbia Academy.

The Board recognizes that certain instances may arise wherein it is necessary that these policies be interpreted for a specific situation. Further, instances may arise that are not explicitly covered by these policies. In such cases, the authority for the implementation and interpretation of these policies and the disposition of these situations is left to the discretion of the Headmaster with consultation of the Board of Directors.

ADMISSION AND CONTINUATION POLICY

STUDENT EXPECTATIONS

Private education is a privilege provided for young people by parents who recognize the importance of education. It is not a "right" to be exercised without respect for others and it requires acceptance of certain responsibilities.

It is one of the goals of Columbia Academy for all students to become self-motivated, self-disciplined, and self-governed. Each student grades 6-12 will sign a student contract agreeing to uphold the terms of this handbook and agreeing to work diligently to improve themselves and their school. Each student should realize that their education is important and should work hard to do their personal best. Each student should also take pride in and responsibility for their school, its programs and its mission.

Principles of Self-Governance

- You are responsible for your community. That is, you work at a variety of levels to build, maintain, and contribute to the campus and community.

- You are accountable for your choices. That is, you take ownership for your actions, opinions, and beliefs.
- You are accountable for preventing your actions from infringing or violating others' rights.
- You are responsible for speaking and listening to others to reach shared understandings.
- You are responsible for addressing situations and communicating concerns about issues that undermine community or individual rights, whether they be your own or others. Any such concerns should be discussed with a teacher or administrator.

These Principles of Self-Governance are Supported Through:

- An administrative structure intentionally designed to challenge and support students to govern themselves.
- A campus community committed to Christian ideals, social consciousness, and community involvement

ADMISSION POLICY

Notice of Non-Discrimination-Columbia Academy admits students of any race, color, nationality, or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. Columbia Academy does not discriminate in administration of its educational policies, admissions policies, athletic or other school-administered programs based on race, color, nationality, or ethnic origin.

Minimum Requirements -Applicants must have a 76 grade point average in academic classes in the last grading period from their previous school and not have been expelled or suspended for disciplinary problems of any nature. Prior school records will be checked before admission is granted. Applicants must have no record of conviction for any criminal activity. Enrollment or admission of married students is prohibited.

Any behavior deemed not in harmony with the purpose of Columbia Academy will result in dismissal at the discretion of the Headmaster. Applicants for re-admission must have no monies owed on a delinquent account at this school.

Each application must be approved by the Headmaster and School Board before it becomes binding upon Columbia Academy.

NON-CONTINUATION POLICY

Columbia Academy reviews the citizenship of all students regularly and reserves the right to deny continuation to any student whose behavior; attitude; disciplinary or academic record is judged by the Administration and Board to be detrimental to the welfare of the school community, whether or not specific major school regulations have been violated.

The student's conduct off campus is a matter of serious concern. Any student's off campus action, which is inconsistent with the philosophy, policies, goals, and commitments of Columbia Academy, makes the student subject to corrective action, including suspension, dismissal, or removal from any elected or appointed position/honor.

LEARNING DISABILITIES /A.D.D. POLICY

In consideration of the fact that Columbia Academy is a private school and receives no federal funding to provide special classes or assistance for those children who may have learning disabilities or who have been diagnosed with Attention Deficit Disorder and other exceptionalities; it is felt that any person wishing to enroll his or her child at Columbia Academy needs to be aware of this fact and to exercise good judgment as to whether the child enrolling would be best served by attending Columbia Academy.

MARRIED AND/OR PREGNANT STUDENTS

No student who is married, previously married, pregnant or a biological parent will be allowed to enter school or to continue as a student at Columbia Academy. As a Christian organization, we strongly oppose abortion and encourage students to accept their responsibilities as parents. Students **will not use the telephone during class time.** No student will be called out of class to use the telephone. All messages to the students must be received by the office by 1:30, i.e. changes of plans by parents. Emergency messages will be taken by the secretary and delivered to the student immediately. Students may use the telephone in the office for **emergency calls only**, by obtaining permission from the secretary. Phone privileges will be revoked in case of abuse. No appointments shall be made during school time.

All calls pertaining to bookkeeping will be referred to the bookkeeper; calls pertaining to the headmaster will be referred to the secretary.

STUDENT PHONES OR BEEPERS

There shall be no phones or beepers utilized on school campus during school day unless authorization has been given by the administration or staff. If phone or beeper is utilized without permission or is visible, it will be confiscated and retained for 30 calendar days. After this time has expired, a parent or guardian may pick up the phone at the school. Students shall not utilize i-pods, MP3 players, or any other portable audio devices requiring the use of ear phones during the school day (including car line). The penalty for utilizing these or having them visible is the same as that for the cell phones.

BAD WEATHER AND EARLY DISMISSAL

In case of bad weather and school is going to be canceled, please tune to channel 7 - WDAM on your television or one of the local radio stations, WFFF, WCJU or WJDR. We will try to make this decision prior to 6:00 a.m.

In case of inclement weather and school has to be dismissed early, we will follow the same procedure by notifying the television and radio stations. With so many of our parents working and away from home during the day, we will avoid doing this if at all possible. However if the situation presents itself, we will follow this procedure.

OVER THE COUNTER MEDICATIONS

The school office will not administer over the counter medications. No Tylenol or aspirin products will be available in the office. The office will provide first aid care to accident victims.

LOST AND FOUND

Articles lost on the campus should be reported to the office and those found brought to the office. Students are reminded that it is their social obligation to be highly considerate of the property belonging to others. Lost articles turned in to the office and not claimed will be donated to charity.

CARE OF SCHOOL PROPERTY

The building and equipment of this school are provided at great expense to the parents. It is the responsibility of every student to exercise care in the use of the building, grounds, and equipment, and to encourage others to do the same.

Any student who damages or destroys school property will be required to pay for such abuse and will be subject to further disciplinary action by the Headmaster.

Any vandalism of school property during non-school hours, unlawful or inappropriate entry into school buildings, or any prank activity that causes loss to the school monetarily or in time will be referred to the appropriate enforcement authorities.

SENIORS

Seniors will be honored for their accomplishments and will be given certain privileges not afforded to underclassman. However, seniors must remember that they are Columbia Academy students until they receive their diplomas. As such they are required to obey this handbook and respect the staff and administration at all times. Seniors must attend all practices for vespers and graduation. All rules apply at these practices and services. Participation in the vesper and graduation service is a privilege and not a right. The administration reserves the right to prevent any senior who violates school rules from participating in these services.

DANCE POLICY

Students who appear to be using alcohol, tobacco or other illegal contraband will be asked to leave the dance. Should that student attend Columbia Academy he/she will be subject to disciplinary action. Students, who invite students from other schools, must sign up their guests prior to the dance. They will be responsible for their behavior. If a student should leave school property during a dance, they will not be allowed to return to the dance (subject to faculty-sponsor in charge). **Vulgar or inappropriate dance will not be tolerated. All dance will be face to face with space.**

ATTENDANCE POLICY

GENERAL

It is the desire of Columbia Academy that pupil attendance be at the highest rate possible. **NO ONE CAN EXPECT TO DO GOOD WORK AND GET THE MOST FROM HIS CLASSES IF HE IS ABSENT FREQUENTLY.** Seniors leaving campus going to approved work must attend five (5) periods of school prior to leaving campus.

ABSENCES

Absences will no longer be classified as excused or unexcused. Students are expected to attend class unless there are valid reasons preventing them from being present. Certainly personal illness, family catastrophes, and other situations arise which may require a student being absent from school. All absences will be recorded as such and will accumulate toward the total allowed for the class.

Students should plan carefully and never acquire a frivolous absence. Absences due to a school-related activity, such as an athletic or academic competition, or representing the school through some civic or community gathering will **NOT** count toward the total absences allowed. In these cases, the permission of the headmaster will validate the absence. When a student is absent due to personal illness requiring a doctor or dentist, the student shall present a note from the professional **immediately** upon their return to school. The purpose for this action will be for the administration to take the nature of these absences into consideration if the student exceeds the maximum allowed during the year.

Seniors will continue to enjoy the privilege of having two college days which will **not** count toward the number of absences allowed. **There will be no recognized senior skip day.**

Prior to 9:00 a.m. on the day that a student is absent, his/her parent/guardian is required to contact the office (telephone number 736-6418) verifying absence and giving reason. All assignment requests must be made at this time. All students (7-12) must pick up a re-admit slip from the office on the day he/she returns to school to present to the teacher of each class missed.

It is the student's responsibility to discover what assignments were missed due to their absence. Students should inquire from the teacher at some time other than instructional time as to what work was missed and the deadline for completing the work. Failure to make up work by the agreed upon deadline will result in a zero for the assignment. The minimum number of days allowed to make up work will be the same number of days missed starting from the student's return to school. Some absences may be subject to disciplinary action from the administration, including suspension and/or academic penalties. **All work must be made up.**

Excessive absences will be reported to the County Attendance Officer.

Students in grades 7-11 who miss more than 20 class periods in a yearly academic class or who miss more than 10 class periods in a semester academic class will be subject to the following:

1. **If the student's average is below 70, he/she will not receive credit for the class.**
2. **If the student's average is 70 or higher, he/she will receive an I (incomplete) for the class until he/she does work in an extended school session school setting.**
3. **The extended school will be after the regular school session is completed.**
4. **The amount of time in the extended school session will depend on the number of days missed in excess of twenty.**
5. **The student will be responsible for the financial compensation for the teacher who will conduct the extended session.**

SENIORS who miss excessive days as described above will be subject to the same stipulations as underclassmen with the following exception to #3:

The extended school for seniors may take place on Saturday(s) prior to graduation and/or on the days when other seniors are granted senior privileges and are not required to attend school. All the other guidelines for underclassmen shall apply to seniors. If the senior satisfies the required conditions prior to the date of graduation, he/she will be allowed to participate in the graduation exercises. If the senior does not complete the required extended session, he/she will be prohibited from participating in the graduation exercises.

Students in grades K5- 6th grade who miss more than 20 days during the school year will also be required to attend extended session after the completion of the regular school session and will be responsible for the financial compensation of the teacher who conducts the session.

TARDIES

- A. If a student is tardy to school five (5) minutes or more, that student will be given a tardy slip and will report to class. For the 1st three (3) tardies of each nine (9) week period, the student will be allowed to make up all work. It will be the responsibility of the student to get work missed from the teacher. After the 3rd tardy (per 9 weeks), the student will not be allowed to make up the work in 1st period class. The student will receive a zero for work missed.
- B. A student **must report to the attendance office if he/she arrives at school after the 7:55 a.m. tardy bell rings.** If the student is delinquent to school for any reason, (i.e. sickness, over slept, **car trouble**, etc.) the students will be given a unexcused tardy **for the class to which they will be admitted and an absence will be recorded for the prior periods missed.** (Example: a student who arrives at 9:15 will receive an absence for 1st period and a tardy for 2nd period.)
- C. Between class periods students who are tardy will be admitted to class by the teacher and a tardy will be recorded unless the student has a note from a teacher or administrator excusing the tardy.
- D. If a group of students is detained by a teacher or coach and is caused to be late to another class by that detention, it is the responsibility of that teacher to write excuses in those situations.
- E. Excessive tardiness and attendance problems will lead to an administrative review of a student's continuing enrollment at Columbia Academy.
- F. Columbia Academy follows its policy on tardiness as stated below.

Lateness because of bus problems or for medical appointments is not counted as unexcused tardy. All absences and tardies for medical reasons must be accompanied by a written excuse from the doctor or dentist. Tardies may be excused at the Headmasters discretion because of bad weather conditions and other conditions approved by headmaster. Tardies for any other reason will be unexcused.

There is no punitive action for the first three (3) tardies (TOTAL) in a nine week period. The fourth tardy will cause the student to have break detention for one day. The fifth tardy in a nine week period will result in one day of Saturday detention and/or early morning detention, and/or afternoon detention. For the sixth tardy (and for each tardy after the sixth) the student will serve one day of suspension from school. This policy refers to tardies to both classes and homeroom.

Students who are habitual tardy offenders shall face additional punishment as deemed necessary by the headmaster.

ELEMENTARY TARDY RULES

- 1. After 6 tardies, a form letter goes home.
- 2. On the 7th tardy, a student will stay in at recess.
- 3. After 8 tardies, students will receive a zero for the class missed.

CHECK OUT PROCEDURE

Students who must leave during the school day will check out through the office. Except for sudden illness or other extreme emergency, no student will be allowed to leave a class to check out. Please schedule doctor, dentist, haircut and appointments for after school hours. **No student will be allowed to leave unless a parent, guardian, or designated person comes to the school and checks them out.** If a student drives to school, a parent or guardian may call the school and tell the attendance clerk to allow their child to leave school at a certain time. This is acceptable provided pupil follows normal check-out procedure.

All notes sent to the office for check-out during the school day, or phone call for check out, must state time of check-out, reason, dates, signature of parent or guardian and phone number where they may be reached. **ALL CHECK-OUT NOTES OR DOCTOR APPOINTMENT CARDS, FOR CHECK-OUT AT ANYTIME DURING THE SCHOOL DAY, MUST BE TURNED IN TO THE OFFICE NO LATER THAN 9:00 A.M.** If their child drives a car they will be allowed to leave in their vehicle. A student must produce a doctor's appointment card or a parent must confirm doctor appointment to be allowed to check out. Student must produce a doctor's excuse upon returning.

If a student should become ill during the school day, he/she is to ask their teacher for a pass to the office. The headmaster, secretary, attendance clerk, or teacher will call the parent or guardian to ask that the student be picked up. If the student has his/her own transportation and a call has been placed to parent or guardian and permission granted to dismiss from school, pupil will be granted permission to leave in his/her own automobile. Elementary aides need to bring sick children to office or teacher's lounge and call parents.

When any junior high or high school student who has checked out returns to school, he/she must pick up a re-admit slip from the office to present to the teacher for each class missed. The student has the same responsibility for make-up work as he/she would for any other absence. Work is due when the student returns to class. Elementary students must check in with the office before returning to their classroom.

Students must sign out in office before leaving school. Failure to sign out will result in disciplinary action. Students must sign back in when returning to school. Students that have checked out in office MUST leave the campus.

MAKE-UP WORK

All work missed as a result of an absence must be made-up in the manner prescribed by the handbook. The responsibility of inquiring about missed work and the time when it is to be made up **RESTS WITH THE STUDENT.** A make-up test should be administered at the **teacher's discretion.** The teacher will dictate time and place. In order to not interfere with class time and student progression, teachers will be encouraged to schedule makeup tests as early as 7:00 a.m. and as soon as the day after the test missed. Failure to adhere to the teacher's discretion in making up work and tests will result in the student receiving a zero.

Students and parents should understand that any deviation from the above track can affect a student's ability to enter a four year college directly from high school. Deviations will be limited to the specific mathematics or science courses taken, not the total number needed to graduate. At no time will a student be allowed to graduate having less than the total required credits of 24 and not having met the minimum MPSA graduation requirements.

** All seniors must take at least five academic courses, all electives count except P.E. This is a requirement unless the counselor cannot schedule five. Seniors may be chosen by the headmaster as office assistants for one (1) of their five (5) classes.

GRADING SYSTEM

The final average in an honors class will be weighted by 1.10.

Honors Scale

The following scale will be used to determine GPA for an honors level course:

Final Weighted Average	Letter Grade	GPA
101-110	A+	5.0
90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
Below 70	F	0.0

The lowest passing grade in an Honors course is 70.

Regular Scale

The following scale will be used to determine GPA for regular courses:

Final Average	Letter Grade	GPA
90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
65-69	D	1.0
Below 65	F	0.0

The lowest passing grade in a regular course is 65.

A student’s grade point average (GPA) is calculated beginning in the ninth grade (or beginning in the eighth grade with Algebra I) or beginning with a transfer student’s first semester at Columbia Academy.

To be considered for Valedictorian, a student must be on the Honors Track and have attended Columbia Academy since the beginning of their freshman year. The student must also take and pass 70% of offered Honors courses. To be considered for Salutatorian, the same criteria applies but beginning at the start of their sophomore year. Early graduation deems a student ineligible for these distinctions. Final averages for regular courses and final weighted averages for honors courses will be used when determining Valedictorian, Salutatorian, and class rank.

NINE WEEK’S AVERAGE

Average daily grades (at least 9 per term)	-----	25%
Test grades average (at least 4 per term)	-----	50%
Nine weeks exam	-----	25%

In computing the nine weeks average, the daily average would be written once, the test average would be written twice, the nine weeks exam score would be written once. These four grades would be added together and this sum divided by four to determine the average. No average would exceed 100.

Each course will have a nine weeks exam. If an instructor wishes to have a special project such as a research paper, power point presentation, classroom project, etc., the special project may count as two or more regular test grades. **However, a nine weeks exam shall be given. Teachers have the discretion to make certain projects mandatory for passing and receiving credit for their classes. The projects can include, but are not limited to, research papers, science fair projects, power point presentations, or other classroom projects. Failure to appropriately complete this assignment by no later than the announced deadline may result in the student receiving an incomplete for the course even though mathematically they could pass the class with a zero on the project.**

The exam schedule may be arranged so that three nine weeks exams may be given in one day.

SEMESTER AVERAGE

The guidance department will average this for the teacher. The average will be the average of the two nine weeks averages.

There will be **NO** semester exams, simply a 2nd nine weeks exam and a 4th nine weeks exam. **However, the instructor reserves the right and will be encouraged to have the 2nd and 4th nine weeks exams to include any material taught during the semester, including the previous nine week period.**

There will be **NO** exemptions for the 2nd nine weeks exam. Exemptions are permissible only for the 4th nine weeks exam and are subject to guidelines listed below.

EXEMPTIONS

Exemptions from 4th nine weeks exams will include all students in grades 4 – 12.

SENIORS: Average of at least 85 for the first semester. Also, the combined average of the 3rd and 4th nine weeks, must be 85 or higher.

Grades 4 - 11: Average of at least 90 for the 1st semester. Also, the combined average of the 3rd and 4th nine weeks must be 90 or higher.

Students who have missed more than 10 days or more than 10 class periods per subject per semester will not be exempt.

FINAL AVERAGE

The guidance department will average this for the teacher. The average will be the average of the two semester averages.

WEIGHTING OF GRADES

Students who participate in very challenging and demanding classes such as Advanced Placement or Honors courses shall receive a special grade enhancement (“grade weighting”) as reward for their pursuit of academic excellence. The value of this grade enhancement shall be 1.10 and will be applied to each nine weeks average. Grades from other schools will not be weighted after they are transferred to Columbia Academy.

PROMOTION AND RETENTION

Kindergarten: Students will be promoted upon successful completion of readiness skills, which are skills that indicate that the student is prepared to enter Grade 1.

Grades 1 - 3:

1. Must pass reading and math
2. May not fail over one other subject.
3. 1st & 2nd grade students must pass 2nd semester
4. Teacher may advise parents to retain a child with one F or two or more D's

Grades 4 - 6:

1. Must not fail two or more subjects.
2. Teacher may advise parents to retain a child with one F or two or more D's

Retainees:

1. A student will be retained no more than a total of 2 times during the first six grades. We cannot meet the special needs of these students. Therefore, we recommend that placement for the next year be approved by a committee

made up of board members, headmaster and involved teachers.

2. The junior high student (7th-8th) may not fail over one major subject (English, History, Math or Science). If he does, the student is to be retained. If the student has 2 or more D's, the teacher may advise the parent to consider remedial help or tutoring.
3. The high school student (9th-12th) receives credit for only those subjects passed. He must repeat any required courses, which are failed the first time. If he fails a non-required course, then he may repeat that course, or take another one in its place. A high school student may not progress to a higher-level course, unless he has passed all pre-requisite courses. It is the responsibility of the counselor to check and see if these requirements have been met.

Students who graduate from Columbia Academy cannot have more than two (2) credits of correspondence work, or on-line courses or any combination of the two (2) options. This is in accordance with state guidelines.

Correspondence courses may be taken only if:

1. It has been determined that a student must have the class for remedial work.
2. It has been determined that there is absolutely no possible way that the student could get a course they must have in order to graduate.
3. Medical
4. Special reasons approved by the headmaster.

CLASSIFICATION OF STUDENTS

(Grades 9-12)

FRESHMEN:	Those who have completed satisfactorily the 8th grade.
SOPHOMORES:	Those who have completed at least 5 units of high school work.
JUNIORS:	Those who have completed at least 10 units of high school work.
SENIORS:	Those who have completed at least 15 units of high school work and are currently enrolled in at least 4 academic classes. (The classification of "Senior" does not necessarily qualify the pupil as a candidate for graduation.)

GRADUATING WITH HONORS

HONOR STUDENTS - Those students who have a four-year scholastic record of 85 - 90.

SPECIAL HONORS STUDENTS - Those students who have a four-year scholastic record of 90 or above.

VALEDICTORIAN - That student with the highest four-year scholastic average. Recipient must have attended CA four (4) years -- grades 9-12.

SALUTATORIAN - That student with the second highest four-year scholastic average. Recipient must have attended CA three (3) years -- grades 10-12.

To be eligible for Valedictorian or Salutatorian the student must have completed either physics or Advanced Math or trigonometry/pre-calculus in addition to having followed the College Prep Track, Plan 1.

The following procedure is used in determining Valedictorian and Salutatorian. Semester averages are added together through the 1st semester of the senior year; also the 3rd 9-week grades are included. Excluded in this figure are non-academic grades, i.e., Physical Education, Cheerleader, Teacher Aide, Dance Team, Library Aide, etc.

CHANGE OF SCHEDULE

(Grades 7-12)

Each year students will be given choice sheet for classes they would like to take for the next year. These choice sheets will be one consideration used by the counselor and administration in making out schedules. Graduation requirements, combined needs of all students, teacher load and room availability will be the paramount concern in scheduling. Schedules may not be changed for mere convenience or preference. A student in grades 7-12 must request a change of schedule on a prescribed form kept in the counselor's office within the first five (5) days of the 1st and 2nd semester. The counselor with the approval of the headmaster will make the decision as to allow the requested change. No change will be made at any other time unless the counselor initiates the change and the change is approved by the headmaster.

NCAA ELIGIBILITY

As a prospective student-athlete at a Division I or II institution, you have certain responsibilities to meet before you may participate. Information concerning who needs to register with the Clearinghouse and what documents should be submitted can be found at www.ncaaclearinghouse.net. Prospective student-athletes should begin this process during the second semester of their junior year or the first semester of their senior year.

TEXTBOOKS

Textbooks are by no means free--they are provided by the Academy and the parents of the school. Every year Columbia Academy must replace worn out and outdated books. It is expected that textbooks will be used for a minimum of five years. It may readily be seen that unless reasonable care is exercised by every student in the use of these books, there will not be sufficient funds to provide enough books in usable condition. Therefore, each student is held responsible for the textbooks issued to him.

Fines will be levied at the time books are checked in or inspected during the year for the following damage or abuse:

1. Loose, torn, or bent covers
2. Torn or creased pages
3. Writings, drawings or other marks
4. Dirty pages or dirty and scratched covers beyond reasonable wear and tear.

Students will be required to pay the price of a new or replacement book for any book lost or damaged beyond further use.

COMPUTER USE

In support of Columbia Academy's mission, the school provides computing, networking, and information resources to the Columbia Academy community of students, faculty, and staff.

Rights and Responsibilities

Computers and networks can provide access on and off campus, as well as the ability to communicate with other users worldwide. Misuse of computing, networking, or information resources may result in the loss of computing privileges. Additionally, misuse can be prosecuted under any applicable legal statutes. Users may be held accountable for their conduct under any applicable school policy, procedure, or agreement.

Complaints alleging misuse of Information Technology (IT) will be directed to those responsible for taking appropriate disciplinary action. Reproduction or distribution of copyrighted works includes, but not limited to, images, text, or software, without permission of the owner is an infringement of U. S. Copyright Law and is subject to civil damages and criminal penalties including fines and imprisonment. If a minor child carries out the misuse or abuse, there exists an element of parental responsibility and liability.

Penalties may be imposed under one or more of the following: Columbia Academy regulations and policies, Mississippi law, or the laws of the United States.

The Administration handles minor infractions of this policy, or those that appear accidental in nature, internally in an informal manner by electronic mail or in-person discussions. More serious infractions are handled via formal procedures. Infractions such as harassment, unauthorized use of IT systems, attempts to steal passwords or data, unauthorized use or copying of licensed software violations of School's policies, or repeated violations of minor infractions may result in the temporary or permanent loss of access privileges while the situation is under investigation.

Offenses that are in violation of local, state, or federal laws will result in the immediate loss of computing privileges and will be reported to the appropriate law enforcement authorities.

Reporting Misuse

Report all incidents of abuse to the Administration.

HONOR CODE

Columbia Academy's administration and teachers assume that its students are honorable. We value the principles of honesty, integrity, and respect both in academics and outside the classroom. We share a common responsibility to preserve these ideals, for we realize that each individual's actions affect the school's climate of trust.

The functions of the honor code are to communicate the meaning and importance of intellectual honesty to all students of the school; to articulate and support the interest of the community in maintaining the highest standards of conduct in academic affairs; and to identify, sanction, and educate those who fail to live up to the stated expectations of the school community with regard to these standards.

The honor code is the school policy which defines the expected standards of conduct in academic affairs. The student body and faculty at Columbia Academy will not tolerate any violation of the honor code. The honor code expressly forbids the following academic violations:

1. **Cheating** - Cheating includes the actual giving or receiving of any unauthorized aid or assistance or the actual giving or receiving of any unfair advantage on any form of academic work, or attempts thereof. Such acts include, but are not limited to, deception; the use of talking, signs, or gestures during a quiz; copying from another student or allowing the copying of an individual assignment; passing test or quiz information during a class period or from one class period to members of another class period with the same teacher; submission of pre-written writing assignment at times when such assignment are supposed to be written in class; illegally exceeding time limits on timed tests, quizzes, or assignments; unauthorized use of study aids, notes, books, data, or other information; computer fraud; sabotaging the projects or experiments of other students; use of electronic devices during an assessment.
2. **Plagiarism** – Plagiarism includes the copying of the language, structure, programming, computer code, ideas, and/or thoughts of another and passing off the same as one’s own original work, or attempts thereof. Such acts include, but are not limited to, having a parent or another person write an essay (including the purchase of works on-line) or do a project which is then submitted as one’s own work; failing to use proper documentation and bibliography. Columbia Academy will employ a plagiarism detection service if such conduct is suspected.
3. **Falsification/Lying** – Falsification includes the statement of any untruth, either verbally or in writing, with respect to any circumstances relevant to one’s academic work, or attempts thereof. Such acts include, but are note limited to, the forgery of official signatures; tampering with official records; fraudulently adding, deleting, or manipulating information on academic work, or fraudulently changing an examination or other academic work after the testing period or due date of the assignment; lying or failing to give complete information to a teacher; feigning illness to gain extra preparation time for tests, quizzes, or assignments due.

5. **Facilitating Academic Dishonesty** – Facilitating academic dishonesty by intentionally or knowingly helping or attempting to help another to violate any provision of this code.

DUTY TO REPORT VIOLATIONS

Academic dishonesty is a negative force in the academic life of a school. It jeopardizes the quality of education and depreciates the genuine achievements of others. All members of the school community, students, faculty, and staff share the responsibility and authority to challenge and make known acts of apparent academic dishonesty. Any student or staff member noticing any failure to follow the honor code is encouraged to report the incident to the appropriate authority, such as an administrator or teacher. The anonymity of the reporting person will be maintained.

Students and parents voluntarily sign this pledge. In signing, they are promising to uphold the honor code and anonymously report any infractions to the proper authorities.

I pledge that all of my academic work in every subject will be original. I will not plagiarize, copy, or cheat in any way. I understand the school's honor code and will support it. Every time I sign my name on a piece of work, I reaffirm my acceptance of this honor code."

DRESS CODE

STUDENT DRESS / GROOMING

GRADES K-5 – 12th

During regular school hours, students will adhere to the board approved uniform policy .

Since people outside our school judge Columbia Academy by the way our students look and behave, we feel that parents should make a special effort to see that their children conform to the dress regulations and hair style regulations that have been established by the school. If parents will not or cannot accept this responsibility, then the administration will be forced to assume this for them.

Parents are primarily responsible for insuring their students are properly groomed and dressed. The administration should have to take very little action in enforcing these codes. Parents should plan haircuts so that the code is not broken. The administration may require a student to get a haircut, before returning to school with no grace periods.

These uniforms are considered **event specific** and should be worn only to, and for the duration of, related events. Should an event occur during normal school hours, students may change from their academic attire into their event uniform for the duration of the event. Students should then change back into approved dress code attire upon completion of the event. Examples of such events would be: sporting event, practice session, pep rally, parade, team or group photography sessions, or any other event requiring students to wear clothing that does not meet dress code.

Uniforms must be worn for events such as: academic competitions, science fairs, and any other activities where Columbia Academy is being represented. Students, not dressed properly, will not be allowed to participate in these activities.

Cheerleaders: Approved cheerleader uniforms may be worn during normal school hours on their specific game days.

Football Players: Approved game-day jerseys may be worn during normal school hours on their specific game days. School uniform bottoms, as detailed above, must be worn.

In addition, t-shirts that are acquired through events that the school has participated in are acceptable. The administration may restrict any t-shirts it sees fit. These t-shirts must be properly sized to the individual and tucked in at all times. School uniform bottoms, as detailed in the above code, must be worn.

Additionally, K-5 – 3rd grade girls will be allowed to wear cheerleader uniforms on Cougar Pride Days.

Special Cougar Pride “DRESS-UP” Days:

These days will only be allowed when a varsity football game is to be played. The *general* dress code guidelines as detailed above will be followed. If a student is not participating in the “dress up” day, they should be dressed pursuant to the dress code. DISCIPLINARY POLICY

CORPORAL PUNISHMENT

Certified school personnel and /or the Headmaster of Columbia Academy shall have the right to administer corporal punishment to any student for a violation of any rule or regulation of the school. Such corporal punishment shall be administered in accordance with school policy. Acceptance of the use of corporal punishment is assumed by the signing of the handbook’s signature sheet and/or continued enrollment in Columbia Academy.

DISCIPLINE IN THE CLASSROOM

The teacher shall be recognized as the person in authority to maintain good discipline in the classroom. Every teacher is authorized to administer any discipline necessary to correct bad conduct, bad attitude, or failure to do required work. This includes corporal punishment (paddling). *Teacher must have another certified teacher as a witness. This authority extends to all school property and all school activities, subject to the limitations that:

- a) Students may be expelled or suspended only by the Headmaster,
- b) Discipline methods must fall within limits set forth in school policy.

Disciplinary action for the following will be left to the discretion of the teacher:

- 1) Failure to bring required materials (books, pen, papers, signed test papers and progress reports, etc.)
- 2) Gum chewing at school, eating or drinking other than in cafeteria.
- 3) Copying homework. (Grades K-6 Only) (Honor Code for 7-12)

A teacher has the right to deny entrance to his/her classroom to a student who consistently refuses to conform to accepted standards of behavior.

NON-MAJOR VIOLATIONS/REPEATISM

A student sent to the office for discipline reasons may face any of the following consequences:

- 1st Referral: Conference with Administrator (and possibly the parent) with a warning to correct behavior.
2nd Referral: Break detention
3rd Referral: Saturday detention and/or 7:00 AM detention, and/or afternoon detention.
4th Referral: Corporal punishment or suspension.

The above steps are a guide to the administration in dealing with repetitive disciplinary actions. The record of non-major referrals will start over each semester.

Continued repeat offenders will face more serious consequences, including the possibility of expulsion from school.

MAJOR VIOLATIONS

If it is determined by the Headmaster that a student has committed any of the acts listed below, the student will be subject to disciplinary action, including corporal punishment (paddling), with the probability of suspension until he/she and his/her parents have had a conference with the Headmaster. In certain cases the student may be suspended or expelled from Columbia Academy.

- a. Truancy / Falsifying an excuse
- b. Profanity
- c. Gambling
- d. Fighting
- e. Insolence or Disrespect
- f. Stealing
- g. Leaving campus without permission
- h. Possession of tobacco, alcohol, drugs or weapons on campus
- i. Destroying school property or private property

- k. Harassment or intimidation of other student or faculty
- l. Indecent exposure
- m. Unauthorized entry on or use of school premises
- n. Multiple Dress Code Violations – see Dress Code
- o. Repeated non-major offenses—See above.

When a student has committed multiple non-major offenses without improvement, displayed immoral behavior, or has been arrested, he/she is subject to external suspension or expulsion. **Any** student that has been arrested is to inform the school Headmaster.

A student may also be externally suspended or expelled for excessive absences or tardiness, impertinence to teachers, or any other serious breach of conduct that, in the judgment of the administration, clearly is contrary to the school's philosophy.

Parents and students must be aware that attending Columbia Academy is a privilege. Students who are not committed to obeying the rules of conduct will not be permitted to remain in school.

Result of Suspension

Students that are suspended are expected to make up all work including test on their own time and at the discretion of the teacher. The highest grade obtainable on all work including test made up in this manner is a 70. Failure to make up said work in the time prescribed by the teacher will result in the student receiving a 0 for the work.

A student who is suspended is banned from all activities that they are involved in and from attending any school activity. They should not be on our campus or any other school's campus during the suspension. If the student's suspension encompasses a weekend the above restrictions apply to those weekend days also.

Result of Expulsion

Once a student is expelled or asked to withdraw from school, he/she is not to return to the campus unless he/she writes for and is granted permission from the Headmaster. This also includes graduation, athletic contest or any other school function.

UNNECESSARY CONTACT

Students shall not have any unnecessary physical contact with another student whether permissive or not. Inappropriate physical contact including, but not limited to, intimate touching, kissing, etc. at school or a school sponsored activity is prohibited.

HAZING AND INITIATION

Antagonistic actions toward other students accomplish no positive educational purposes and generally lead more toward resentment and hard feelings than goodwill. No such actions of any kind will be allowed by organizations or clubs associated with Columbia Academy either on or off campus. No hazing or initiations for non-school clubs or activities will be allowed by Columbia Academy either on or off campus. No such actions between students will be tolerated.

SEXUAL HARASSMENT POLICY

Columbia Academy is committed to ensuring that the students have a school free from sexual harassment and therefore recognize the need to have and enforce a sexual harassment policy.

Sexual harassment includes any unwelcome sexual advances, request for sexual favors, and any other visual, or physical conduct of a sexual nature that meets the following criteria:

1. Any unwanted or inappropriate sexual attention that includes touching, looks, comments, or gestures;
2. Verbal conduct such as epithets, derogatory or obscene comments, slurs or sexual invitations, sexual jokes, propositions, suggestive, insulting, obscene comments, or gestures or other verbal abuse of a sexual nature;
3. Graphic, verbal commentary about one's individual's body, sexual prawns, or sexual deficiencies;
4. Flirtations, advances, leering, whistling, touching, pinching, assault, coerced sexual acts, blocking normal movements;
5. Visual conduct such as derogatory or sexual posters, photographs, cartoons, drawing or gestures or other displays of suggestive objects or pictures;
6. Retaliation for having reported or threatened to report sexual harassment.

This behavior is unacceptable at Columbia Academy and at Columbia Academy functions such as athletic events, dance, plays, field trips, etc.

Columbia Academy encourages the individual(s) who believe they are being harassed to firmly and promptly notify the offender that the behavior is unwelcome. Since the school recognizes this may be ineffective or impossible, the incident(s) should be reported to the Headmaster or Assistant Headmaster.

All complaints will be investigated thoroughly and promptly. Should complaints prove to be legitimate, the offending student will be subject to disciplinary action that may result in the student being terminated from Columbia Academy without a refund of fees.

Note: The fraternization of teachers and students is strictly prohibited.

SATURDAY DETENTION

Students assigned to Saturday Detention may attend the session wearing work clothes, including jeans. The clothes should be modest, decent, and non-vulgar. The school official in charge of the detention shall determine if the clothing is appropriate. Students will be required to do manual labor. Being late for Saturday Detention shall be interpreted as skipping Saturday Detention. The detention will be for a minimum of three (3) hours. The time for the detention will be 7:00 a.m. unless the school official in charge determines a change of time is needed.

DRUG/ALCOHOL/TOBACCO POLICY

Columbia Academy reserves the right to administer a drug/alcohol test on an individual student if it is believed that a reasonable suspicion exists. All new applicants to CA may be required to undergo a drug test at family expense.

ALCOHOL, TOBACCO, AND DRUGS

Columbia Academy does not approve of the use of alcohol, tobacco, drugs (including paraphernalia), controlled substances, or intoxicants by the students. Students are not to engage in the drinking of any alcoholic beverages or the use of tobacco, drugs, controlled substances, or intoxicants in the school building, on the school grounds, or at any school sponsored activity. Pupils who have in their possession alcohol, drugs (including paraphernalia), controlled substances, or intoxicants will be subject to referral to the legal authorities as indicated by law and will be categorized as having a first test positive and must comply with regulations as set forth in our drug prevention policy. Re-admittance of any student after suspension under this provision will be conditioned on the consent of the student and parents or guardian to allow testing of said student for drugs or alcohol at the school's discretion.

A student who has in their possession alcohol, tobacco, controlled substances, or drugs at school, or uses alcohol, controlled substances, or drugs, on the school grounds, or at a school sponsored activity will be subject to suspension and expulsion.

Drug dogs will be brought in, at various times, during the year without being announced to check cars, lockers, book bags, purses, and a student's person.

DRUG TESTING

The Columbia Academy Board of Directors, Administration, and Faculty strongly believe that the use and abuse of drugs (excluding those prescribed by a physician to treat a specific medical condition) can:

1. Be detrimental to the mental and physical well being of its students, no matter when such usage should occur during the year.
2. Seriously effect the performance of individuals as students;
3. Be dangerous to the student and his/her classmates..

Columbia Academy has implemented a drug program of drug testing to assist and benefit the students of Columbia Academy.

PURPOSE OF THE PROGRAM:

The purpose of the Columbia Academy Drug Screening Program is as follows:

1. To educate the student concerning dangers of drug abuse.
2. To help prevent any drug use and abuse by the students of Columbia Academy.
3. To identify any student who may be using drugs and to identify the drug.
4. To provide reasonable safeguards in order that every student is medically competent to participate in school related activities.
5. To remove the stigma of drug abuse from those students who are not drug users.

6. To reassure students, parents and the community that the health and academic progress of each of its students is the primary goal of Columbia Academy.
7. To re-emphasize to the student his/her responsibility as a positive role model, on or off campus.

Procedure

Each student in the 7th-12th grade, and the parents or guardians of each student in the 7th-12th grade must sign a consent form, which authorizes the drug screening for each student. This consent form will be a part of the school handbook insert.

The testing procedure shall be:

1. Every student in the 7th-12th grade will be tested for drugs **twice** during the school year and will be subject to random testing at any time thereafter.
2. The method of testing is in the form of urinalysis. Any positive drug results will be confirmed by an additional test at the laboratory selected by Columbia Academy.
3. The collection and coding of specimen samples are executed in a manner insuring total confidentiality and identification.
4. The samples will be collected and analyzed using the most up to date methods of pathologists.
5. If a student refuses to take a test, it will be probable cause for expulsion

All specimens showing a positive result will automatically be retested using the remaining available sample by the testing laboratory immediately to assure that no error has occurred. The second test will be a more specific test. If the first positive result is verified and confirmed, the following steps will be taken:

POSITIVE TEST RESULTS

First Incident of Positive Test Result

1. The administration is advised of the results.
2. The student and parents or guardians are advised.
3. Depending upon attitude and responsiveness of student and parents, the student is subject to expulsion or will definitely be required to attend a drug counseling program at the expense of the student. The drug counselor must be approved by the Headmaster.
4. If drug counseling is required rather than expulsion, the drug counselor will determine the length and manner of the program to best suit the student.
5. The student is suspended from extra-curricular activities during this drug counseling period.
6. After a first positive test, the student is subject to take every test given at CA while the student is attending CA.

Second Incident of Positive Result

The specimen showing a positive result will be re-tested immediately to assure that no error has occurred. If the positive result is verified and confirmed then the following steps will be taken:

1. The administration is advised of the results.
2. The student and parents or guardians are advised.
3. The student will then be expelled from Columbia Academy.

SPORTSMANSHIP

Columbia Academy has produced athletic teams with fine records in sportsmanship as well as in the number of games won. We feel that our student body and adult spectators should live up to the high standards of sportsmanship exemplified by our athletic teams.

Whether the game is played by elementary, junior high, or high school students, we urge everyone to remember that the evaluation of our school and community depends not only on the sportsmanship of our players but also on us, the fans and spectators.

We must remember that sportsmanship is something we take with us to the game. When we attend games out of town, we reflect the spirit of our school and our community in public places just as we do at the game.

Adult spectators are expected to respect all players, coaches, officials and other fans. Spectator action can cause the school to have fines levied against it and receive probationary status. Each spectator should not address any player, coach, or official in any derogatory manner. **Any fine levied against Columbia Academy because of fan misconduct will be billed to that patron.**

HOMEWORK

Athletes must turn in all long term assignments (reports, essays, projects, etc.) on the due date whether game day or the day after. Students should turn these assignments in before they leave school if they will not meet that class due to an early departure.

A student athlete is not required to take a test or turn in an assignment on the day after an away game, unless the test or assignment was announced two days before.

Athletes will have one extra day to turn in homework assigned any period on the day of an "away" game. They are responsible for getting this work turned in on time.

TESTS

For tests missed due to early school departure on the game day, students must take tests during one of the next two tests taking periods or they may receive a zero on that test.

For classes missed due to games played on Friday:

It will be the athletes' responsibility to get all assignments, if any, which were given on Friday and be prepared for class on Monday (including preparing for any test given on Monday).

This policy applies only to "away" games. All work, whether homework or tests, is due as normal on days of "home" games.

STUDENT HANDBOOK ACKNOWLEDGEMENT AND CONTRACT

I have read and understand the 2010 – 2011 Columbia Academy Student Handbook and agree to abide by the requirements therein. Specifically, I understand and agree to the following:

1. That corporal punishment may be used on my child, Page 24.
2. That my child may be photographed for regular school activities and those photographs may be placed in a newspaper or school web-site, Page 8
3. That the parent is responsible for insuring that the dress/grooming code is met, Pages 22 -24.
4. That off-campus activities may be considered for continued enrollment at Columbia Academy, Pages 5-6.
5. That all students in grades 7 - 12 will be drug tested a minimum of two times during the school year pursuant to the policy as set forth on pages 27 -28.

Columbia Academy is a partnership between parents, students, teachers, and staff to provide the best possible education for our students. In order to achieve our ambitious goals, we must all make a commitment to working together.

Pledge By the Student:

I promise to work very hard to achieve my personal best. I understand that my education is important, and I will try to make the most of every opportunity I have to learn. I will do my best to attend school every day. I will arrive on time and in uniform.

I understand that Columbia Academy's standards for academics and behavior are very high and that there will be consequences if I do not live up to these standards. If I fail to honor any one of these standards, I will take responsibility for my actions, try to learn from my mistake and will work to improve my behavior. I know that I must always work to be a better student, a better citizen, and a better person.

I pledge that all of my academic work in every subject will be original. I will not plagiarize, copy, or cheat in any way. I understand the school's honor code and will support it. Every time I sign my name on a piece of work, I reaffirm my acceptance of this honor code.
