SUMMER READING!!

Fifth Graders are required to read one book over the summer. Girls are required to read a Nancy Drew Mystery book. The author of these books is Carolyn Keene. Boys are required to read a Hardy Boys Mystery book. The author of these books is Franklin W. Dixon. We will begin the first week of school with a mystery book report project, so they will definitely need to be ready by the first day of school.

**** Please make sure your child's name is on the binder and folders!! *****
