Requirements for advertisement detail submission

Preferred choice: Ads need to be created and submitted as a pdf file in portrait orientation.

Second best choice: Submit a jpeg or png file of a logo, picture, etc., as well as state in the email what you want the ad to say

Third best choice: Bring to the school any pictures, business cards, or logos for us to scan, as well as supply a document stating what you want the ad to say.

Note: If you advertised last year in the February 2018 MAIS State Tournament we hosted at CA, we can use the same ad information you submitted. This is the simplest and quickest option since we have your ad information already in the computer.
