THE PURPOSE OF COLUMBIA ACADEMY

Columbia Academy has as its primary aim the development of men and women for responsible leadership and well-rounded lives of useful service to their fellow men, their country, and God. Columbia Academy was founded upon and is operated according to Christian beliefs and doctrine.

Columbia Academy concerns itself with the lives of the students on the campus as well as in the classroom. It is important that students conduct themselves at all times as ladies and gentlemen, that they make a voluntary commitment to the moral principles and spiritual values upon which our free and Christian society is founded, and that they develop an emotional balance based upon respect for self and for others. Furthermore, the students are expected to be men and women of integrity, to be honest and trustworthy in every area of their lives and to respect the rights and property of others.

Columbia Academy will provide a climate for high-quality learning with special emphasis on educating for knowledgeable, intelligent, responsive participation in the home, the community, and a career and will stress the need for all students to continue their learning throughout their lives in order to be effective and worthy members of a rapidly changing society.

MISSION AND BELIEFS

OUR MISSION

The Bible is the divine inspiration of God and the Scripture is inerrant in all of its parts and teachings. The Bible is the supreme authority over every area of our lives as individuals and as a school. The mission of Columbia Academy is to provide a safe, spiritual, family environment where teachers help students to grow morally, intellectually, physically, and socially in order that they may become productive citizens in today's society.

OUR CORE VALUES/BELIEFS

TRUTH, LEARNING AND ENGAGEMENT

HANDBOOK AMENDMENTS

This handbook is a summary of rules, policies, and procedures of Columbia Academy. The Board of Directors and Headmaster reserve the right to add, modify, or delete any rule, policy, or procedure contained herein without prior notice. This information is for the use of parents and/or guardians and students as a guide and does not constitute a legal contract or document.

HEADMASTER'S AUTHORITY

The rules and regulations set out in this Handbook have been adopted by the Board of Directors as the policy for Columbia Academy.

The Board recognizes that certain instances may arise wherein it is necessary that these policies be interpreted for a specific situation. Further, instances may arise that are not explicitly covered by these policies. In such cases, the authority for the implementation and interpretation of these policies and the disposition of these situations is left to the discretion of the Headmaster with consultation of the Board of Directors.

STUDENT EXPECTATIONS

Private education is a privilege provided for young people by parents who recognize the importance of education. It is not a "right" to be exercised without respect for others, and it requires acceptance of certain responsibilities.

One of the goals of Columbia Academy is for all students to become self-motivated, self-disciplined, and self-governed. Each student in grades 6-12 will sign a student contract agreeing to uphold the terms of this handbook and agreeing to work diligently to improve himself and his school. Each student should realize that his education is important and should work hard to do their personal best. Each student should also take pride in and responsibility for their school, its programs, and its mission.

PRINCIPLES OF SELF-GOVERNANCE

- You are responsible for your community. You are encouraged to work at a variety of levels to build, maintain, and contribute to the campus and community.
- You are accountable for your choices. You are encouraged to take ownership for your actions, opinions, and beliefs.
- You are accountable for preventing your actions from infringing or violating others' rights.
- You are responsible for speaking and listening to others to reach shared understandings.
- You are responsible for addressing situations and communicating concerns about issues that undermine community or individual rights, whether they are your own or others. Any such concerns should be discussed with a teacher or administrator.

These principles of self-governance are supported through:

- An administrative structure intentionally designed to challenge and support students to govern themselves.
- A campus community committed to Christian ideals, social consciousness, and community involvement.

ADMISSION POLICY

Notice of Non-Discrimination - Columbia Academy admits students of any race, color, nationality, or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. Columbia Academy does not discriminate in administration of its educational policies, admissions policies, athletic or other school-administered programs based on race, color, nationality, or ethnic origin. However, the Board of Directors reserves the right to deny admission to or continue admission of any student where it is reasonably calculated that such an admission or continued admission might create adversity, conflict, or opposition to the school's adopted Purpose, Mission Statement and Beliefs, and educational and extra-curricular policies.

Minimum Requirements - Applicants must have a "C" average in academic classes in the last grading period from their previous school and not have a record of disciplinary problems. Prior school records will be checked before admission is granted. Applicants must have no record of conviction for any criminal activity. Enrollment or admission of married students is prohibited.

Any behavior deemed not in harmony with the purpose of Columbia Academy will result in dismissal at the discretion of the Headmaster. Applicants for re-admission must have no monies owed on a delinquent account at Columbia Academy.

Each application must be approved by the Headmaster and Board of Directors before it becomes binding upon Columbia Academy.

NON-CONTINUATION POLICY

Columbia Academy reviews the citizenship of all students regularly and reserves the right to deny continuation to any student whose behavior, attitude, disciplinary or academic record is judged by the Administration and Board of Directors to be detrimental to the welfare of the school community.

The student's conduct off-campus is a matter of serious concern. Any student's off campus action, which is inconsistent with the philosophy, policies, goals, and commitments of Columbia Academy, makes the student subject to corrective action, including suspension, dismissal, or removal from any elected or appointed position/honor.

LEARNING DISABILITIES/A.D.D., A.D.H.D POLICY AND DYSLEXIA

In consideration of the fact that Columbia Academy is a private school and receives no federal funding to provide special classes or assistance for students who may have learning disabilities or who have been diagnosed with Attention Deficit Disorder, Dyslexia, and other exceptionalities. Any person wishing to enroll his or her child at Columbia Academy acknowledges this fact and must exercise good judgment as to whether the child enrolling would be best served by attending Columbia Academy. Resources for individualized instruction will not be provided.

MARRIED AND/OR PREGNANT STUDENTS

No student who is married, married previously, pregnant, or a biological parent will be allowed to enter school or to continue as a student at Columbia Academy. As a Christian organization, we strongly oppose abortion and encourage students to accept their responsibilities as parents. Pregnant students will be encouraged to earn a high school diploma through correspondence courses, G.E.D., or other means that meet accreditation standards.

GENERAL POLICY

MISCELLANEOUS POLICIES

All vehicles picking up kindergarten or elementary students must have a label in their vehicle indicating the student's name and grade level. Junior high and high school students being picked up by parents will be picked up in the carline area between the gym entrance and the flagpole. If a younger student is riding home with an older sibling, the older student should walk the younger student to their parked vehicle. Parents, Guardians, or any one designated to pick up Columbia Academy students are asked specifically not to park and walk to pick-up students from the parking lot or ask students to walk and meet them in the parking lot. - 18) Building Utilization – No student is allowed to use any of the school facilities unless he or she is supervised by faculty, staff, or an adult. All student requests for building utilization must go through the Administration.
- 19) Insurance Protection - Columbia Academy does not provide insurance for expenses involved in the treatment of athletic injuries or any other accidental injuries occurring at school. Since Columbia Academy does not carry insurance for accidental injuries, we require every parent/guardian to review his present insurance policy in order to assure that his son/daughter will receive appropriate coverage in case of injury.
- 20) Students must treat other students, faculty, and staff members with respect at all times. Being respectful means using appropriate words, an appropriate tone of voice, and appropriate actions and expressions.
- 21) Columbia Academy students will be photographed throughout the year for various purposes. All registered Columbia Academy students grant permission to be photographed. Any custody exceptions for use of photographs must be provided in writing with documentation.
- 22) The Board of Directors and Administration of Columbia Academy do not participate in the planning or implementation of any type of senior trip. The only off-campus activity, outside of athletics and properly scheduled field trips, is the Homecoming parade. We specifically have no connection to any pre- or post-prom activities.
- 23) Columbia Academy students are not to participate in any door-to-door sales involving any fundraiser for the school.
- 24) Parents are encouraged to monitor their child's use of computers at home. Chat rooms, Facebook, Instagram and message boards have become an increasing problem for school administrators. The school will take action against any misuse of a computer at home that interferes with the normal operation of school. There should be no disparaging comments made about the school or its faculty or staff, other students, or opponents of the school. In addition, any school symbol, uniform, letterman jacket, or any other article identifying Columbia Academy should not be used or seen on any medium in an inappropriate or unacceptable manner.
- 25) All book bags and sports bags must be placed on a hook. Personal items should NOT be left on the floor in the hallway. All book bags and gym bags must have the student's name written on it in a visible area. It is recommended that students use two book bags. Place the books and supplies for morning classes in one bag and the books and supplies for afternoon

classes in the second bag. This will only require them to switch bags one time during the school day.

- 26) No student shall use any camera, phone, recorder, or any other such technology to invade another person's privacy or record any inappropriate actions. Any violation of this rule will result in immediate suspension.
- 27) Columbia Academy uses closed circuit cameras and recordings for security and student monitoring purposes. Security cameras also record sound. Students, school personnel, and visitors can expect to be on camera and recorded in any area that they do not have a reasonable expectation of privacy. Any interference or tampering with security equipment will result in immediate suspension.
- 28) Once approved by the Board of Directors, the school calendar and test schedules become policy. No exceptions will be granted for school dates unless extreme hardship is shown. All personal trips should be planned so as to not conflict with the calendar and test schedule. Nine weeks' tests will not be given early.
- 29) Students are not to have any contact with teachers or staff through computers or phones unless the communication is directly related to academics or school activities. Casual conversation through these mediums is to be avoided by students and teachers.

PAST DUE TUITION AND FEES

Patrons are asked to set up tuition payments through a bank draft in the business office. A voided check will be required.

Every effort should be made to keep tuition and other fees, including cafeteria expenses, paid up to date. Columbia Academy, Inc. primarily receives funds through tuition and other fees, and therefore it is imperative that we collect such amounts that are owed to the school.

In the event that a student's tuition and other fees are overdue at the time of second semester exams, the School will allow the student to take said exams but grades will not be recorded until payment has been made in full. In order to meet exemption requirements student accounts must be paid in full prior exams.

In the event of a withdrawal, transfer, or expulsion of a student at the end of the school year, parents are responsible for full payment of tuition and other fees. The School reserves the right to withhold report cards, grades, and student records until tuition and other fees have been paid in full. By signing the Student Handbook Agreement or the Application for Enrollment, you are authorizing the School to withhold report cards, grades, and other student records until tuition and other fees have been paid in full.

Any acquiescence in regard to the above policies should not be viewed as a waiver of said policy, and the school reserves the right to utilize the policy even though a student has been allowed to stay in school with past due tuition or other fees or has been allowed to take midterm or final exams with past due tuition or other fees.

All money owed to Columbia Academy is due and payable on the 1st of each month. A 10% late fee on unpaid tuition will be accessed on 15th of each month. Any patron whose account becomes 30 days delinquent will be accessed an interest rate of 18% (1.5% per month) on the complete

outstanding account balance (including but not limited to tuition, fees, and cafeteria charges). Any patron whose account becomes 30 days delinquent will be mailed a letter advising them of the delinquency. When an account is 45 days delinquent, the patron will be mailed a notice stating if delinquent money is not paid by the 60th day, the patron will be asked to remove their child (children) from COLUMBIA ACADEMY. ALL STUDENTS OF PATRONS WHO ARE 30 DAYS OR MORE DELINQUENT ON ANY MONEY OWED COLUMBIA ACADEMY WILL NOT HAVE GRADES POSTED FOR FINAL EXAMS, OR RECEIVE FINAL GRADES, OR PARTICIPATE IN ANY SCHOOL SPONSORED SUMMER CAMPS OR SPORTING EVENTS, INCLUDING PRACTICES AND WORKOUTS.

ADMISSION TO BUILDINGS AND CLASSROOMS

Students may enter the building at 7:45 A.M. to go to the restroom or to a teacher's room for assistance. There shall be no loitering in the halls. During inclement weather, if the outside duty person approves entry, students may enter prior to 7:45 a.m. However, students should report to the classrooms assigned for weather days and should only enter classrooms labeled as weather rooms. A sign will be posted to identify weather rooms.

During break time at school, all students in grades 7th - 12th are expected to go to the cafeteria, go outside between the high school wing and the cafeteria area, or be supervised by a teacher in a classroom.

Students should not be under the porch adjacent to the gym or on the west and east wings of the high school. The sidewalk will be the western boundary of the permitted area. The car line driveway will be the eastern boundary. On inclement days, students in grades 7th-12th will go to the lunchroom or rooms where teachers are present and remain there until the bell rings. Students in grades 1st-6th will sit in the hallway outside the classroom and read silently until 7:45 A.M. Kindergarten students will go directly to their classrooms each morning.

Prior to going to the cafeteria for break or lunch, students in grades 7th-12th should use the restroom in the main building. ONLY water in a bottle with a screw on lid will be allowed in the classroom. Yeti cups and other containers which are not clear and do not have a screw on cap are not allowed in classrooms.

No student should be in the office unless he/she has specific business there. No loitering allowed in the office.

SCHOOL VISITATION

Any parent or other person desiring to visit the school must report upon arrival to the main office for clearance and a visitor's pass. Interruption of any teacher during a teaching period will not be tolerated. After school, any type of meeting, practice, or travel to an away contest is an extension of school and any non-guardian visitor must report to the coach or sponsor in charge before having any contact with Columbia Academy students.

STUDENT VISITATION

The school, because of space factors in classrooms, will not be able to allow school pupils to have student visitors accompany them as visiting guests of the school. In limited circumstances, a

potential new student will be allowed to shadow an enrolled student upon approval of the Headmaster.

STUDENT(S) OUT OF CLASS

No student should leave a class period unless it is absolutely necessary. In case of necessity they must sign out and inform the teacher where they are going. Students should sign out when they leave the classroom and sign back in when returning to class. Failure to inform the teacher to which you are assigned will result in disciplinary action.

WEAPONS

Weapons of any kind will not be allowed on campus or at any school sponsored event under any circumstances. "On campus" includes on a student's person, in his vehicle, or hidden by a student on campus. This includes BB guns, pellet guns, and pocket knives. Possession of weapons on any school campus is a violation of Mississippi State Law (MS Code 97-37-17).

LOST AND FOUND

Articles lost on the campus should be reported to the office and those found brought to the office. Students are reminded that it is their social obligation to be highly considerate of the property belonging to others. Lost articles turned in to the office and not claimed will be donated to charity. LABEL all personal property please.

LIBRARY

Students will receive from the school librarian a copy of regulations and procedures with regard to library policies. If any student abuses library books, magazines, newspapers, etc., he will have his/her library privileges suspended according to the discretion of the Headmaster and the librarian. In addition, fines may be levied for overdue or damaged articles. Students may take AR tests during their activity period, recess, and after school each day except Monday and Friday.

GYMNASIUM

The gymnasium is for student use under the direction of the Headmaster, a faculty member, or a board member. Students are not to wear street shoes on the court for practicing or playing ball. No one should enter the gym except through a door that has been opened by one having authority to do so. Students and parents should not enter or exit the back door of the gym near the girls' locker room, except in an emergency situation.

Any student or group wishing to use the gym must have permission from the Headmaster or Assistant Headmaster. A faculty member, school board member, or administrator must be present during the use of the gym. This policy includes break and lunch and will be enforced. Students are not allowed in the gym during the school day unless they have scheduled a class in the gymnasium. Students must be supervised in the gym at ALL times.

NO STUDENT IS TO LEAVE THE GYM OR ANY PAID ATHLETIC COMPETITION DURING BALL GAMES OR OTHER SCHOOL ACTIVITIES UNLESS HE/SHE IS LEAVING THE CAMPUS.

LUNCHROOM

Students will eat their lunch in the place provided by the school. All K-6th students must remain in this place until the teacher on duty excuses them. Extremely loud talking, breaking the line, or playing will not be tolerated in the lunchroom. Students are not to leave paper sacks of food, milk cartons, drink cans, or other debris on the tables at any time. All debris should be deposited in the trash containers. Any time a group cannot keep the lunchroom clean and the students behave in a disorderly way, their teacher will sit with them each day. All food and drinks must be disposed of properly and the picnic area should be kept clean. Eating is not allowed under the patio area by the gym. No food or drink is allowed in the classroom other than water in a bottle with a screw on lid. Yeti cups and other containers are not allowed in the classroom.

Students need to stay in the cafeteria or outside between the cafeteria and high school wing during lunch and break. Students must be supervised by school personnel in order to eat at the outside picnic tables. Teachers or teacher assistants must sit outside with students for them to be allowed to eat outside during scheduled lunch times. Students should not be under the porch adjacent to the gym or the west and east wings of the high school. Do not go to any other unsupervised area. Students are not allowed to go to their vehicles without permission from an administrator.

Failure to keep the outside table areas clean and free of trash will result in loss of privileges for outside dining.

FIRE AND TORNADO DRILLS

All emergency procedures will be initiated by a verbal command over the intercom with the exception of an actual fire. Actual fire evacuations will be initiated by the fire alarm system sounding.

OFF-CAMPUS EVACUATION

In the event an off-campus evacuation is necessary, students will be taken by bus to Woodlawn Pentecostal Church located just west of the school on Highway 98. The church's telephone number is 601-736-5128.

ASSEMBLIES

Assemblies will be held as designated during an activity period or at other specified time. Programs will be presented by clubs, classes, homerooms, visiting speakers, and others.

All teachers and students are expected to attend scheduled devotionals.

Each class will go to assembly as a group, will sit together as a group, and will be dismissed by its sponsors as a group. When leaving the gym or Fine Arts Building, students will leave in an orderly manner, one row at a time. Conduct should be above reproach at all times. All students and teachers are required to attend scheduled assemblies.

FUNDRAISING

There shall be no selling or solicitation from the school or by any teacher, student, or club in the name of Columbia Academy unless prior authorization is obtained from the Board of Directors or its Executive Committee and approved by the Headmaster.

When the school sponsors a fundraising project, members are expected to support these endeavors. When tickets are issued, each family must either buy or sell the assigned number of tickets. These fundraisers are a very important part of the life of Columbia Academy, and participation and cooperation is expected in order that we may provide the best education possible for our students.

From time to time, the Board of Directors may deem it necessary to approve mandatory fundraising activities in order to raise money for school operations. Whenever the need arises and such fundraisers are approved, all patrons are required to participate.

ACTIVITY FUND

All money collected by any school club, class, or other organization must be deposited in the business office as soon as the collection is made. The deposit should be made by the treasurer of the organization, who will be given a receipt. Instructions concerning the withdrawal of money will be given to the treasurer and the sponsor of each organization when the account is set up. The school bookkeeper will furnish the organization with a statement upon request.

SCHOOL TELEPHONE

Students will not use the school telephone during class time. Students must place their phone in a location determined by the classroom teacher during class time. Students should not be in possession of cell phones during class time. All cell phones must be placed in a secure setting visible by the student. Phones should not be left in book bags in the hallway. No student will be called out of class to use the telephone. If a parent needs to get a message to someone, they may send a note or call the front office. The information will be given to the appropriate person. All messages to the students, such as changes of plans, must be received by the office by 1:30 P.M. Emergency messages will be taken by the receptionist and delivered to the student immediately. Students may use the telephone in the office for emergency calls only, by obtaining permission from the receptionist or attendance officer. Phone privileges will be revoked in the case of abuse. Students must sign the phone log if they use the school phone. No appointments shall be made during school time. Students may not call a parent and/or guardian and request to check-out. This includes calling and requesting to check out in order to leave campus and eat lunch.

In the event a parent needs to speak to a teacher, the parent should call the office and leave a message for the staff member to return their call during the teacher's off period. If a parent needs to speak with the student, the student will be notified to come to the office at the end of the class period. This should only be requested due to an emergency. Parents should not text or message students during school hours.

All calls pertaining to bookkeeping, the counselor, or the attendance officer will be referred to the appropriate office; calls pertaining to the Headmaster will be referred to the Headmaster, or a

message will be taken. The business office will close at 3:00 p.m. daily and no phone calls will be forwarded after that time.

STUDENT USE OF PHONES OR OTHER PERSONAL ELECTRONIC DEVICES

Columbia Academy recognizes that cell phones and smart watches are an important part of culture and modern communication. Therefore, it is understood that students could be in possession of these devices at school.

Columbia Academy recognizes that there are times when these devices may be helpful to support the learning environment. There are also times when these devices are distracting and destructive to student learning. CA encourages faculty and instructors to actively integrate technology and the use of PEDs in classroom instruction and lesson planning. Integration must be strictly for educational purposes. Teachers shall preserve the integrity of the teaching and learning environment, as well as the integrity of the Personal Electronic Devices (PED) - "cell phone" - policy outlined below.

1. There should be no PEDs (including but not limited to mobile phones, tablets, personal computers, smart watches, etc.) utilized by students at any time during the school day, including at carline. Students in grades 1-12 will be provided a school issued device for classroom use. No use of personal electronic devices including cell phones and smart watches will be permitted during class time.

Cell phones and smart watches should be put away and turned off in a visible location during class time. If devices are used in any manner without permission, are visible, or make a sound, including alarms, noises, incoming calls or messages, etc., it will be confiscated by a teacher, administrator, or other staff member. If asked, students will provide and surrender their phone immediately and without dispute or discussion. Surrendered devices should be intact, with no items removed or missing (including memory cards or chips).

- II. Ear Phones, Earbuds, Bluetooth devices, other devices that transmit and receive data over a network,, or other portable audio devices, should also not be used on campus at any time without direct permission or without direct classroom connection (ex. Computer class). The consequences for use of these auxiliary, extension, or accessory devices will be the same as PEDs.
- III. Cell phones, smart watches or school issued chromebooks, Macbooks or desktop computers are not to be used to capture, transmit, or share in any academic materials, lesson, or information about an assignment without direct permission from a teacher. Use of electronic devices in this manner could violate Honor Code policies and could result in assignment(s) receiving a zero and possible student discipline.
- III. Columbia Academy will provide an electronic device to use within the classroom (ex. Chromebooks, iPads, or computer lab desktop). These devices may be connected to the CA internet and are capable of receiving and transmitting data.

Any misuse, abuse, damage (whether purposeful or as a result of neglect) to any provided electronic device (ex. Chromebooks, Macbook, IPADs, or computer lab desktop), inappropriate browsing, unauthorized downloading, or any attempt to interfere with the CA internet network

could result in student conduct actions and/or financial responsibility to the parents or guardians of the student.

A cell phone or smart watch confiscated by a teacher, administrator, or other staff member will be transferred and held in the Administration office. Students will pay fines to the Business Office (cash only, no coins will be accepted). Fines collected for PED confiscation will be added to the technology fund.

FIRST OFFENSE: Confiscated device(s) will be held in the Administrator's office for a period of 15 calendar days. If a parent or guardian chooses to pay a \$50.00 cash fine, the device will be returned to the student after a 24 hour hold time.

SECOND OFFENSE: Confiscated device(s) will be held in the Administrator's office for a period of 30 calendar days. If a parent or guardian chooses to pay a \$100.00 cash fine, the device will be returned to the student after a 24 hour hold time.

THIRD OFFENSE: Confiscated device(s) will be held in the Administrator's office for a period of 30 calendar days. If a parent or guardian chooses to pay a \$150.00 cash fine, the device will be returned to the student after a 24 hour hold time.

FOURTH OFFENSE and EACH INSTANCE AFTERWARDS: The Headmaster will consult with the Board of Directors, and the parent or guardian will be notified of the consequence to be received.

BAD WEATHER AND EARLY DISMISSAL

In the case of bad weather and school is going to be canceled, we will try to make this decision prior to 6:00 A.M. A text message will be sent through FACTS and if possible posted on the CA Facebook page.

In case of inclement weather and school has to be dismissed early, we will follow the same procedure by notifying the television and radio stations and a message. With so many of our parents working and away from home during the day, we will avoid doing this if at all possible. However, if the situation presents itself, we will follow this procedure.

OVER-THE-COUNTER MEDICATIONS

The school office will not administer over-the-counter medications. Parents must provide verbal or written permission for a student to receive a Tylenol, etc.. The office will provide first aid care to accident victims.

CARE OF SCHOOL PROPERTY

The building and equipment of this school are provided at great expense to the parents. It is the responsibility of every student to exercise care in the use of the building, grounds, and equipment and to encourage others to do the same.

Any student who damages or destroys school property will be required to pay for such abuse and will be subject to further disciplinary action by the Headmaster.

Any vandalism of school property during non-school hours, unlawful or inappropriate entry into school buildings, or any prank activity that causes loss to the school monetarily will be referred to the appropriate enforcement authorities. Replacement costs or cost of repair of damages will be paid by the parents/guardians of the student responsible for the damages.

SENIORS

Seniors will be honored for their accomplishments and will be given certain privileges not afforded to underclassmen. However, seniors must remember that they are Columbia Academy students until they receive their diplomas. As such, they are required to obey this handbook and respect the Administration and faculty and staff at all times. Seniors must attend all practices for Vespers and Graduation. All rules apply at these practices and services. Participation in the Vespers and Graduation services is a privilege and not a right. The Administration reserves the right to prevent any senior who violates school rules from participating in these services.

DANCE POLICY

Dances are for students and their approved date. Only pre-approved chaperones will be permitted to attend. Chaperones must be approved by the head of school.

All students and approved dates will enter the Fine Arts Building through the main entrance. All exits will be securely locked, from ingress and egress, except the main (monitored) entrance.

There is zero tolerance for alcohol consumption during attendance at a school function. A DUI officer(s) will be charged with overseeing admission to the prom. The officer(s) will determine alcohol consumption based on their training and by administering a breathalyzer exam to every attendee. Students who appear to be using alcohol, tobacco, or other illegal substances will meet with an Administrator, and the parents or guardian will be contacted. A DUI officer(s) will administer a breathalyzer exam to attendees leaving the prom who are suspected of consuming alcohol during the prom. Students who attend Columbia Academy will be suspended from school for a set number of days as determined by school administration if confirmed by a DUI officer for consuming alcohol on school premises or for being under the influence of alcohol as determined by a breathalyzer test. Students found to be in possession of alcohol or who violate this policy in any way will be subject to disciplinary action.

Students who invite students from other schools must sign up their guests prior to the dance. Attendees and dates should not exceed the age of 20. Dates will be required to have a character confirmation letter from their educational institution. Columbia Academy students are responsible for the behavior of their invited guests. If a student leaves school property during a dance, he or she will not be allowed to return to the dance (subject to faculty-sponsor in charge). Vulgar or inappropriate dancing will not be tolerated.

The prom is a formal dance, and proper attire is required. Dresses with plunging necklines or low backs are prohibited. The midriff should be covered. Sunglasses and baseball caps are prohibited.

ATTENDANCE POLICY

GENERAL

It is the desire of Columbia Academy that student attendance is at the highest rate possible. No one can expect to do good work and get the most from his classes if he is absent frequently. Seniors must attend a minimum of five (5) periods of school prior to leaving campus. Any student leaving campus must sign out in the office.

ABSENCES

Attendance may be viewed daily via FACTS. Attendance codes are "A" for absent, "T" for tardy, "P" for present, "SA" for school activity, and "CO" for check-out. Any absence other than an absence due to school activities will count toward the total number of absences.

Students in grades 7-12 who miss more than 20 class periods in a yearly academic class or who miss more than 10 class periods in a semester academic class will not meet requirements to pass the class in which excessive absences have occurred. They will not receive academic credit for any course in which absences exceed the required number.

Students in grades K5-6th who miss more than 20 days in an academic year will not meet requirements to pass the grade for the year due to the excessive absences.

Absences will not be classified as excused or unexcused. Students are expected to attend class unless there are valid reasons preventing them from being present. Personal illness, family catastrophes, and other situations arise which may require a student to be absent from school. All absences will be recorded as such and will accumulate toward the total allowed for the class. In the case of extenuating circumstances the Headmaster and the Board of Directors will determine if any absence may be excluded from the total allowed absences.

Students should plan carefully and never acquire a frivolous absence, such as checking out and leaving campus to go and eat lunch. Absences due to a school-related activity, such as an athletic or academic competition, or representing the school through some civic or community gathering will NOT count toward the total absences allowed. In these cases, the permission of the Headmaster will validate the absence.

Medical absences will count toward the total allowed absences for a student. When a student is absent due to personal illness requiring a doctor or dentist, the student shall present a note from the professional immediately upon his/her return to school. Medical excuses will not be accepted more than three days after an absence. Medical excuses must include the name of the clinic and a doctor's signature. The date and time of the appointment for the medical visit must be indicated on the medical excuse. The attendance officer will post the date the note is received from the student. The purpose for this action will be for the Administration to take the nature of these absences into consideration if the student exceeds the maximum allowed absence count for the year.

A student who misses school due to the death of an immediate family member (parent, stepparent, grandparent, sibling, or stepsibling) will be marked absent with an "A" with a notation made in the comment section. The purpose for this action will be for the Administration to take the nature of these absences into consideration if the student exceeds the maximum allowed absence count for the year.

If a student checks out for a reason other than a medical appointment the student will NOT be allowed to make-up any test he missed and a grade of a zero will be recorded for the missed test. In the case of extenuating circumstances a student may be granted prior approval from the administration to check out and will be allowed to take a make-up test. A valid medical excuse must be turned into the attendance officer upon return.

Students must attend a minimum of 40 minutes per class period in order to be counted present for that class.

If a student is absent due to a court visit, the student will be marked absent. A notation will be placed in the comment section to indicate the reason for the absence.

Students will be allotted only two official college days during their junior or senior year which will not count toward the total number of absences allowed. Students may use these two days during their junior or senior year. Students taking college days must notify the attendance officer in advance by at least one day AND must provide the attendance officer with a note from the college or university indicating the date of the visit. Notes must be turned in the first school day after the visit. There will be no recognized senior skip day.

All students (7-12) must pick up a re-admit slip from the attendance officer on the day he/she returns to school to present to the teacher of each class missed. Elementary students must pick up a re-admit slip for any whole day or part of a day missed as well. It is the student's responsibility to discover what assignments were missed due to their absence. Students should inquire from the teacher at some time other than instructional time as to what work was missed and the deadline for completing the work. Failure to make up work by the agreed upon deadline will result in a zero for the assignment. The minimum number of days allowed to make up work will be the same number of days missed starting from the student's return to school. Some absences may be subject to disciplinary action from the Administration, including suspension and/or academic penalties. All work must be made up.

PERFECT ATTENDANCE

To be considered for Perfect Attendance for a nine week grading period, students must be present for the entirety of every school day for the entire nine weeks. Students who receive any tardy throughout the school day, who check out for any part of a day for any reason, or who are absent for any reason for a whole day or any part of a day are ineligible for this distinction. Absences due to sanctioned school activities are not counted against Perfect Attendance.

TARDIES

- A. If a student is tardy to school, the student will report to the office, obtain a tardy slip, and then will report to class. Students in grades 4-12 who have more than 12 tardies for the year will NOT be eligible for exemption. In semester courses students may have no more than 6 tardies for the semester. It will be the responsibility of the student to get work missed from the teacher.
- B. A student must report to the attendance officer if he/she arrives at school after 7:55 A.M.
- C. Students who are absent due to a medical appointment will be marked as Absent/ME and will count as an absence for the time missed in each subject/class period. If a student is tardy due to a medical appointment the student will be marked as Tardy/ME (medical excuse) and this will not count as a tardy for that class period as long as they are present

for at least 30 minutes during that class period. Documentation showing the date and time for the appointment will be required. (A medical excuse from the doctor, dentist, etc.)

- D. Between class periods students who are tardy will not be admitted to class by the teacher unless they have an admission slip from the attendance officer. The student must come to the office to receive a tardy slip and a tardy will be recorded. Teachers MUST send any student to the office if they are late to class in order to receive an admission slip. Correct documentation of tardies is required in order to determine if a student is eligible for Mrs. Angie's list.
- E. If a student or group of students is detained by a teacher or coach and is subsequently late for another class, it is the responsibility of that teacher or coach to write excuses in those situations.
- F. Excessive tardiness and attendance problems will lead to an administrative review of a student's continuing enrollment at Columbia Academy.

- G. Any student who fails to sign in or out in the attendance office will be assigned an appropriate consequence.

All absences and tardies for medical reasons must be accompanied by a written excuse from the doctor or dentist. Medical excuse notes must include the name of the clinic and a doctor's signature. The date of the medical visit must be indicated on the medical excuse. The attendance officer will post the date the note is received from the student. Medical excuses should be turned in immediately and will not be accepted after three days. Medical notes which appear to be altered or changed in any way will not be accepted. Absences due to medical reasons will count toward the total number of absences.

Students in Grades 1st-6th will receive the following consequences for tardies:

- 1st, 2nd, 3rd tardy No punitive action
- 4th, 5th, 6th tardy Stay in at recess
- 7th tardy Stay in two days of recess; call parent
- 8th tardy Morning detention
- 9th tardy Morning detention
- 10th tardy Parent Conference; possible one day suspension; consequence determined by Administration. Additional tardies will result in more serious consequences including longer suspension times.

Students in Grades 7th-12th will receive the following consequences for tardies:

- 1st, 2nd, 3rd tardy No punitive action
- 4th tardy Break detention
- 5th tardy One morning or afternoon detention or two break detentions
- 6th tardy Two morning or afternoon detentions
- 7th tardy Two morning or afternoon detentions
- 8th tardy Parent Conference; possible one day suspension; consequence determined by

Administration. Additional tardies will result in more serious consequences including longer suspension times.

Students who are habitual tardy offenders shall face additional punishment as deemed necessary by the Headmaster.

CHECK-OUT PROCEDURE

Students who leave during the school day are required to check-out through the attendance office. Students leaving with a group for a school activity (game, field trip, show choir competition, etc.) during school hours will be signed out as a group by the coach or advisor. The coach or advisor must provide the attendance officer a list of all students leaving school and the time of departure. Except for sudden illness and/or other extreme emergency, no student will be allowed to leave a class to check-out. Please schedule doctor, dentist, and haircut appointments for after school hours. Students will not be allowed to leave unless a parent, guardian, or designated person comes to the school and checks him/her out. If a student drives to school, a parent or guardian may call the school and tell the attendance officer to allow his child to leave school at a certain time. This is acceptable provided that the student follows normal check-out procedure. Students will not be allowed to call their parents to check out for any reason other than illness. Text messages are not permitted for check-out procedures. The attendance officer or the receptionist must talk to a parent. Students will not be allowed to call parents in order to check out and go and eat lunch.

All notes sent to the office and all incoming telephone calls pertaining to student check-outs during the school day must state the time of check-out, the reason and date(s) of the check-out, the signature of the parent or guardian, and the phone number where the parent or guardian may be reached. **ALL CHECK-OUT NOTES OR DOCTOR'S APPOINTMENT CARDS FOR CHECK-OUT AT ANYTIME DURING THE SCHOOL DAY MUST BE TURNED IN TO THE OFFICE NO LATER THAN 9:00 A.M.** If the student drives to school, he will be allowed to leave in his automobile. A student must produce a doctor's appointment card or a parent must confirm the doctor's appointment for the student to be allowed to check-out. Students must produce a doctor's excuse immediately upon returning. Medical excuses will not be accepted after three days from the appointment. The attendance officer will post the date that the note is received from the student.

If a student should become ill during the school day, he/she is to ask the teacher for a pass to the office. The Headmaster or Assistant Headmaster, secretary, attendance clerk, or teacher will call the parent or guardian to ask that the student be picked up. If the student has his/her own transportation and a call has been placed to the parent or guardian and the parent or guardian grants permission to dismiss the student from school, the student will be granted permission to leave in his/her own automobile. The attendance officer or the receptionist must talk to a parent prior to the student leaving campus. Elementary aides need to bring sick students to the office and call a parent or guardian.

When any junior high or high school student who has checked out returns to school, he/she must pick up a re-admit slip from the office to present to the teacher for each class missed. The student has the same responsibility for make-up work as he/she would for any other absence. Work is due when the student returns to class. Elementary students must check-in with the office before returning to their classroom.

Students must sign out in the office before leaving school. Failure to sign out may be considered as cutting class and will result in disciplinary action. Students must sign-in when they return to school. Students that have checked out in the office **MUST** leave the campus immediately. Seniors must leave campus immediately after their last scheduled class.

Students who attend Vo-Tech classes will report directly to class upon returning to campus.

MAKE-UP WORK

All work missed as a result of an absence must be made up in the manner prescribed by the handbook. The responsibility to inquire about missed work and when it is due RESTS WITH THE STUDENT. Parents should check FACTS or Google classroom for posted assignments. Parents may email teachers if they have questions concerning an assignment. A make-up test may be administered at the teacher's discretion. The teacher will dictate time and place. In order not to interfere with class time and student progression, teachers will be encouraged to schedule makeup tests as early as 7:00 a.m. and as soon as the day after the test is missed. Teachers are encouraged by the administration to give students a different test as a make-up test than the one administered originally. Failure to adhere to the teacher's discretion in making up work and tests will result in the student receiving a zero for the make-up work and/or test.

Note: Advanced World Geography is no longer accepted as an advanced elective.	2
Required Total	20
Elective Total	4
Total	24

All students at Columbia Academy will follow the noted college prep track unless test scores and academic performance indicate that the student would be better served on another track. The decision to deviate from the noted track will be made by the counselor and the Headmaster in consultation with the student's parent or guardian. Students and parents should understand that any deviation from the noted track can affect a student's ability to enter a four-year college directly from high school. Deviations will be limited to the specific mathematics or science courses taken, not the total number of units needed to graduate. At no time will a student be allowed to graduate

having less than the total required credits of 24 and not having met the minimum MAIS graduation requirements.

All seniors must take at least five academic courses and remain on campus for a minimum of five class periods. All electives count in the five except Physical Education. This is a requirement unless the counselor cannot schedule five. Seniors may be chosen by the Headmaster as office assistants for one (1) of their five (5) classes.

The following courses may be taken in the eighth grade for Columbia Academy graduation requirements but will not count towards the Mississippi Institution of Higher Learning entrance requirements: Pre-Algebra and first-year Computer. In addition to these courses, eighth-grade Pre-Algebra students must take four (4) additional Math units, and eighth-grade Computer students must take at least an additional $\frac{1}{2}$ unit in Computer.

The following courses may be taken in the eighth grade for Columbia Academy graduation requirements and for Mississippi Institution of Higher Learning entrance requirements: Algebra I & first-year Foreign Language.

MSAISNET.COM COURSES

In addition to traditional courses offered, online courses are available through MSAISNET.COM. These courses are offered through the MAIS, and credit is granted from Columbia Academy in the same manner as traditional courses. These courses are offered subject to the following policies:

- All rules and regulations as set forth by MSAISNET.COM will be followed.
- Each course must be approved by the Counselor and Headmaster. Online courses are not for every student, and the Headmaster is given discretion in allowing a course to be taken by a student.
- Except in the case of credit recovery, a course will not be allowed to be taken if the same course is taught in a traditional classroom at the school and if the student's schedule allows the traditional class to be taken.
- The student and parents will sign an agreement establishing the expectations of the course, the dates for testing, and the final date at which time the course is expected to be completed.
- Although certain coursework can be completed online at home, all testing will be done at school in the presence of a proctor that is assigned by the school.
- If a class period is assigned to take an online course during the school day, all rules and expectations of the handbook, including attendance and period duration, apply.
- The grade assigned by the MSAISNET.COM instructor will be the grade assigned on the Students Report Card and Cumulative Student Records. These courses will not receive any "grade weighting.

GRADING SYSTEM

HONORS SCALE

The following scale will be used to determine GPA for an Honors level course:

Final Weighted Average	Letter Grade	GPA
101-110	A+	5.0
90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
Below 70	F	0.0

Each nine week average in an Honors class will be weighted by 1.10. Students receiving less than a 70 in an Honors class do not qualify for the Honors factor. The lowest passing grade in an Honors course is 70.

REGULAR SCALE

The following scale will be used to determine GPA for regular courses:

Final Average	Letter Grade	GPA
90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
65-69	D	1.0
Below 65	F	0.0

The lowest passing grade in a regular course is 65.

A student's grade point average (GPA) is calculated beginning in the ninth grade (or beginning in the eighth grade with Honors Algebra I, Pre-Algebra, and a foreign language) or beginning with a transfer student's first semester at Columbia Academy.

To be considered for Valedictorian or Salutatorian, a student must be on the Honors Track and have attended Columbia Academy since the beginning of their freshman year. The student must also take and pass 70% of offered Honors courses. Early graduation deems a student ineligible for these distinctions. Final averages for regular courses and final weighted averages for Honors courses will be used when determining Valedictorian, Salutatorian and class rank.

NINE-WEEK AVERAGE

Average daily grades (at least 12 per term) ----- 25%
Test grades average (at least 3 per term) ----- 50%
Nine weeks exam----- 25%

In computing the nine-week average, the daily average should be written once, the test average should be written twice, and the nine weeks exam score should be written once. These four grades should be added together, and this sum divided by four to determine the average. No average should exceed 100.

Each course will have a nine week exam. If an instructor wishes to have a special project such as a research paper, powerpoint presentation, classroom project, etc., the special project may count as two or more regular test grades. However, a nine week exam shall be given. Teachers have the discretion to make certain projects mandatory for passing and receiving credit for their classes. The projects can include, but are not limited to, research papers, science fair projects, powerpoint presentations, or other classroom projects. Failure to appropriately complete this assignment by no later than the announced deadline may result in the student receiving an incomplete for the course even though mathematically they could pass the class with a zero on the project.

SEMESTER AVERAGE

The average will be the average of the two nine week averages.

There will be NO semester exams. Instead there will be a 2nd nine weeks exam and a 4th nine weeks exam. However, the instructor reserves the right and will be encouraged to have the 2nd and 4th nine weeks exams to include any material taught during the semester, including the previous nine week period.

Students may only be exempt at the end of the first semester and at the end of the year. Exemptions for students in grades 4-12 are permissible only for the 2nd and 4th nine week exam and are subject to guidelines listed below. All accounts must be paid in full in order for a student to meet exemption requirements.

EXEMPTIONS

Students in Grades 4th–12th who meet criteria may be exempt at the end of the first semester and at the end of the second semester.

Students must have an average of at least 90 for the first semester in order to meet exemption requirements. The combined average of 1st and 2nd nine weeks must be 90 or higher. Also, in order to be exempt for the second semester the student must have an average of at least 90 for the second semester. The combined average of the 3rd and 4th nine weeks must be 90 or higher.

Students who have missed more than 10 class periods per subject per semester will not be exempt. Students who have been suspended, including suspension due to excessive tardies, will not be eligible for exemption. Students who have more than 6 tardies in a semester will not be eligible for exemption in that subject.

Students who violate the Columbia Academy Honor Code through plagiarism or by cheating on an assignment of any kind throughout the school year will not be allowed to exempt the class in which the honor code violation occurred.

Students who owe any tuition or fees will not be allowed to exempt exams. All tuition and fees, including cafeteria charges, must be paid in full by the end of the third school day prior to the first day nine weeks tests begin for a student to be eligible for exemption.

Students may NOT be checked out during an exam period.

FINAL AVERAGE

The average will be the average of the two semester averages.

WEIGHTING OF GRADES

Students who participate in very challenging and demanding classes, such as Advanced Placement, Honors courses, or Dual Enrollment courses shall receive a special grade enhancement (“grade weighting”) as a reward for their pursuit of academic excellence. The weighted value for each is as follows:

- 1.10 for Advanced Placement and Honors Courses taken at CA with a CA certified instructor
- 1.10 for Dual Enrollment courses taken at CA with a CA certified instructor
- 1.05 for Dual Enrollment courses taken at CA with only a CA proctor monitoring the class

The weighted value of grade enhancement for Advanced Placement, Honors, and Dual Enrollment courses taken with a CA certified instructor will be applied to each nine weeks’ average. The weighted value of grade enhancement for Dual Enrollment courses taken at CA with only a CA proctor monitoring the class will be applied to the final grade received from the institution of higher learning granting credit for the course.

All Dual Enrollment courses taken on campus during the school year, whether taken to meet a required CA graduation requirement or as an elective, will be added to the student’s transcript and will be included in the student’s GPA calculation.

Grades from other schools will not be weighed after they are transferred to Columbia Academy.

MSAIS.NET correspondence courses taken at CA will not receive a grade enhancement weighting.

PROMOTION AND RETENTION

Kindergarten: Students will be promoted upon successful completion of readiness skills, which are skills that indicate that the student is prepared to enter first grade.

Grades 1st – 3rd:

1. Must pass reading and math
2. May not fail any additional subject.
3. 1st & 2nd grade students must pass 2nd semester
4. Teacher may advise parents to retain a child with one F or two or more D's

Grades 4th – 6th:

1. Must not fail two or more subjects.
2. Teacher may advise parents to retain a child with one F or two or more D's

Retainees

A student will be retained no more than a total of two times during the first six grades. We cannot meet the special needs of these students. Therefore, we recommend that placement for the next year be approved by a committee made up of board members, the Headmaster, and involved teachers.

Seventh and eighth grade students may not fail over one major subject (English, History, Math, or Science). If he does, the student is to be retained. If the student has two or more D's, the teacher may advise the parent to consider remedial help or tutoring.

Any 9th-12th student receives credit for only those subjects passed. If a student fails a non-required course, then they may repeat that course or take another one in its place. A high school student may not progress to a higher-level course, unless he has passed all prerequisite courses. It is the responsibility of the counselor to check and see if these requirements have been met.

Students who graduate from Columbia Academy cannot have more than two (2) credits of correspondence work, or online courses, or any combination of the two (2) options. This is in accordance with state guidelines.

If a Columbia Academy student is approved to take a correspondence course, the course must be taken through MSAISnet.com only.

Correspondence courses may be taken only if:

1. It has been determined that a student must have the class for remedial work.
2. It has been determined that there is absolutely no possible way that the student could get a course he must have in order to graduate.
3. Medical
4. Special reasons approved by the Headmaster.

CLASSIFICATION OF STUDENTS IN GRADES 9th - 12th

FRESHMEN:	Those who have completed satisfactorily the 8th grade.
SOPHOMORES:	Those who have completed at least 5 units of high school work.
JUNIORS:	Those who have completed at least 10 units of high school work.
SENIORS:	Those who have completed at least 15 units of high school work and are currently enrolled in at least 4 academic classes. (The classification of "Senior" does not necessarily qualify the student as a candidate for graduation.)

CHANGE OF SCHEDULE FOR GRADES 7th -12th

Each year students will be given a choice sheet for classes they would like to take for the next year. These choice sheets will be one consideration used by the counselor and the Administration in making out schedules. Graduation requirements, combined needs of all students, teacher loads, and room availability will be the paramount concern in scheduling. Schedules may not be changed for mere convenience or preference. A student in grades 7th-12th must request a change of schedule on a prescribed form kept in the counselor's office within the first five (5) days of the first and second semester. The counselor, with the approval of the Headmaster, will make the decision whether to allow the requested change. HONOR CODE

Columbia Academy's Administration and teachers expect that its students are honorable. We value the principles of honesty, integrity, and respect both in academics and outside the classroom. We share a common responsibility to preserve these ideals, because we realize that each individual's actions affect the school's climate of trust.

The functions of the honor code are to communicate the meaning and importance of intellectual honesty to all students of the school; to articulate and support the interest of the community in maintaining the highest standards of conduct in academic affairs; and to identify, sanction, and educate those who fail to live up to the stated expectations of the school community with regard to these standards.

The honor code is the school policy which defines the expected standards of conduct in academic affairs. The student body, faculty, and staff at Columbia Academy will not tolerate any violation of the Honor Code. The Honor Code expressly forbids the following academic violations:

1. Cheating - Cheating includes the actual giving or receiving of any unauthorized aid or assistance or the actual giving or receiving of any unfair advantage on any form of academic work or attempts thereof. Such acts include, but are not limited to, deception; the use of talking, signs, or gestures during a quiz; copying from another student or allowing the copying of an individual assignment; passing test or quiz information during a class period or from one class period to members of another class period with the same teacher; submission of pre-written writing assignment at times when such assignment are supposed to be written in class; illegally exceeding time limits on timed tests, quizzes, or assignments; unauthorized use of study aids, notes, books, data, or other information; computer fraud; sabotaging the projects or experiments of other students; and sharing of information through the use of electronic devices during an assessment.
2. Plagiarism – Plagiarism includes the copying of the language, structure, programming, computer code, ideas, and/or thoughts of another and passing off the same as one's own original work, or attempts thereof. Such acts include, but are not limited to, having a parent or another person write an essay (including the purchase of works online) or do a project which is then submitted as one's own work. Plagiarism is also defined as failing to use proper in-text documentation and/or failing to include a Bibliography page. Columbia Academy will employ a plagiarism detection service if such conduct is suspected.

4. Stealing – Stealing includes the taking or appropriating without the right or permission to do so and with the intent to keep or wrongfully make use of school work or materials of another student or the instructions materials of a teacher. Such acts include, but are not limited to, stealing copies of tests or quizzes, illegitimately accessing the teacher’s answer key for tests or quizzes; stealing the teacher’s edition of the textbook; and stealing another student’s homework, notes or handouts.
5. Facilitating Academic Dishonesty – Facilitating academic dishonesty by intentionally or knowingly helping or attempting to help another to violate any provision of this code.

DUTY TO REPORT VIOLATIONS

Academic dishonesty is a negative force in the academic life of a school. It jeopardizes the quality of education and depreciates the genuine achievements of others. All members of the school community, students, faculty, and staff share the responsibility and authority to challenge and make known acts of apparent academic dishonesty. Any student, faculty, or staff member noticing any failure to follow the honor code is encouraged to report the incident to the appropriate authority, such as an administrator or teacher. The anonymity of the reporting person will be maintained.

Penalties

Teachers will note offenses in FACTS and will notify administration for disciplinary action to be taken.

- First Offense: The student will receive a zero, and a student/teacher/parent conference will be held.
- Second Offense: The student will receive a zero, plus one day of Saturday detention and/or early morning detention. The student will be dismissed from any honor society or student government membership or position.
- Third Offense: The student will receive a zero and will be suspended for two (2) days.

The Pledge

Students and parents voluntarily sign the following pledge, and, in so signing, promise to uphold the honor code and to anonymously report any infractions to the proper authorities:

“I pledge that all of my academic work in every subject will be original. I will not plagiarize, copy, or cheat in any way. I understand the school’s honor code and will support it. Every time I sign my name on a piece of work, I reaffirm my acceptance of this Honor Code.”

DRESS CODE

Parents should make a special effort to see that their students conform to the dress and grooming regulations that have been established by the school. Acceptance of the use of corporal punishment is assumed by the signing of the handbook signature sheet and/or continued enrollment in Columbia Academy.

DISCIPLINE IN THE CLASSROOM

The teacher shall be recognized as the person in authority to maintain good discipline in the classroom. Every teacher is authorized to administer any discipline necessary to correct bad conduct, bad attitude, or failure to do required work. This includes corporal punishment (paddling). The teacher must have another certified teacher as a witness. This authority extends to all school property and all school activities, subject to the limitations that:

When a student has committed multiple non-major offenses without improvement, displayed immoral behavior, or has been arrested, he/she is subject to suspension or expulsion. Any student that has been arrested is to inform the Headmaster.

A student may also be suspended or expelled for excessive absences or tardiness, lack of respect to teachers or staff, or any other serious breach of conduct that, in the judgment of the Administration, clearly is contrary to the school's philosophy.

Parents and students must be aware that attending Columbia Academy is a privilege. Students who are not committed to obeying the rules of conduct will not be permitted to remain in school.

RESULT OF SUSPENSION

Students that are suspended are expected to make up all work including tests on their own time and at the discretion of the teacher. The highest grade obtainable on all work including tests made up in this manner is a 65. Failure to make up said work in the time prescribed by the teacher will result in the student receiving a 0 for the work.

A student who is suspended is banned from all activities that he is involved in and from attending any school activity during the suspension. The suspended student should not be on the CA campus or any other school's campus during the suspension. If the student's suspension encompasses a weekend, the above restrictions apply to those weekend days also.

RESULT OF EXPULSION

Once a student is expelled or asked to withdraw from school, he is not to return to the campus unless he submits a request in writing, and the request is granted by the Headmaster. This also includes graduation, athletic contests, or any other school function.

UNNECESSARY CONTACT

Students shall not have any unnecessary physical contact with another student whether or not with the student's permission. Inappropriate physical contact including, but not limited to, intimate touching, kissing, etc. at school or a school-sponsored activity is prohibited.

HAZING AND INITIATION

Antagonistic actions toward other students accomplish no positive educational purposes and generally lead more toward resentment and hard feelings than goodwill. No such actions of any kind will be allowed by organizations or clubs associated with Columbia Academy either on or off campus. No hazing or initiations for non-school clubs or activities will be allowed by Columbia Academy either on or off campus. No such actions between students will be tolerated. Coaches will ensure that student athletes are supervised at all times and that no form of improper conduct or hazing will be tolerated.

SEXUAL HARASSMENT POLICY

Columbia Academy is committed to ensuring that students have a school free from sexual harassment, either at school or via social media, and therefore recognizes the need to have and enforce a sexual harassment policy. Sexual harassment includes any unwelcome sexual

advances, requests for sexual favors, and any other visual or physical conduct of a sexual nature that meets the following criteria:

1. Any unwanted or inappropriate sexual attention that includes touching, looks, comments, or gestures.
2. Verbal conduct such as epithets; derogatory or obscene comments; racial slurs; sexual invitations; sexual jokes; propositions; suggestive, insulting, or obscene comments or gestures; or other verbal abuse of a sexual nature.
3. Graphic, verbal commentary about one's individual body or sexual deficiencies. This includes inappropriate text or requests of inappropriate photographs.
4. Flirtations, advances, leering, whistling, touching, pinching, assault, coerced sexual acts, or the blocking of normal movements.
5. Visual conduct such as derogatory or sexual posters, photographs, cartoons, drawings or gestures, or other displays of suggestive objects or pictures.
6. Retaliation for having reported or threatened to report sexual harassment.

This behavior is unacceptable at Columbia Academy and at Columbia Academy functions, such as athletic events, dances, plays, field trips, etc., and through social media. Columbia Academy encourages all individuals who believe they are being harassed to firmly and promptly notify the offender that the behavior is unwelcome. Since the school recognizes this may be ineffective or impossible, the incident(s) should be reported to the Headmaster or Assistant Headmaster.

All complaints will be investigated thoroughly and promptly. Should complaints prove to be legitimate the offending student will be subject to disciplinary action that may result in the student being expelled from Columbia Academy without a refund of fees.

Note: The fraternization of teachers and students is strictly prohibited.

Columbia Academy believes that students should have an educational environment that is free from humiliation, oppression, and abuse. Harassment is any persistent, willful, and deliberate action done by an individual or group to hurt, distress, upset, frighten, or threaten another person or persons, whether face-to-face, through other people, or through social media.

Harassment can be, but is not limited to:

Physical: pushing, kicking, hitting, pinching, or any use of violence

Verbal: name calling, making inappropriate noises, spreading rumors, malicious gossip, or teasing, either written or oral

Emotional: deliberate excluding, tormenting (hiding books, threatening gestures, extorting money, etc.), racial taunts, graffiti

Sexual: unwanted physical contact or abusive and/or suggestive comments

1. Faculty will make it clear in the classroom that harassing behavior is unacceptable and that consequences will be imposed to ensure that perpetrators change their behavior.
2. All reports of behavior, no matter how trivial, will be investigated and dealt with fairly and positively by classroom teachers. In this way, students will gain confidence that reporting of incidents will not be ignored.

3. If the incidents of harassment are serious and persistent, the classroom teacher will report the behavior to school administration. Administration will ensure that the incident is dealt with effectively and promptly.
4. Administration will find out all the facts surrounding serious incidents of harassment by talking to all parties involved, including any witnesses. All the evidence and all views will be taken into account.
5. Records will be kept in FACTS of all serious and/or repeated offenses. All staff in contact with the students will be informed by administration and required to monitor closely the students involved.
6. Parents of both perpetrators and victims of any serious incidents or repeated offenses will be informed as soon as possible and asked to come to the school for a discussion of the problem and its resolution.
7. For those individuals or groups found guilty of bullying, administration will use any of the available methods of punishment that will reflect the seriousness of the offense, such as restrictions, detention, suspension, or possibly expulsion.
8. Administration will discuss with the guilty person or persons the implications and effects of their actions on the victim.

The purpose of this policy is to ensure that all students, staff, and parents know what harassment is and know that it is unacceptable behavior at Columbia Academy. Our desire at Columbia Academy is to create an atmosphere where harassment is not accepted, to empower victims of harassment to seek appropriate help, and to develop procedures for reporting, investigating, and dealing swiftly with harassment if and when it occurs.

INAPPROPRIATE SOCIAL MEDIA CONTENT

Columbia Academy recognizes social media as a tool for communication and social interaction, but one that can be used inappropriately. Students are encouraged to post only social media content that will promote the school and its students and staff in a positive manner.

Columbia Academy will not tolerate the use of social media to bully or sexually harass any of its students. Students who violate this will be subject to discipline by school administration, which could include suspension or expulsion.

Inappropriate social media content includes, but is not limited to:

- bullying remarks
- negative verbal comments
- inappropriate photographs
- pornography

DRUG/ALCOHOL/TOBACCO POLICY

Columbia Academy reserves the right to administer a drug/alcohol test on an individual student if it is believed that a reasonable suspicion of drug or alcohol use exists. All new applicants to CA may be required to undergo a drug test at their family's expense.

ALCOHOL, TOBACCO, E-CIGARETTES, AND DRUGS

Columbia Academy does not approve of the use of alcohol, tobacco, e-cigarettes, vapes (including paraphernalia), drugs (including paraphernalia), controlled substances, intoxicants, or performing enhancement drugs by students. Students are not to engage in the drinking of any alcoholic beverages or the use of tobacco, e-cigarettes, drugs, controlled substances, intoxicants, or performing enhancement drugs in the school building, on the school grounds, or at any school-sponsored activity, including those being held at other schools or off-campus locations. Pupils who have in their possession alcohol, e-cigarettes (including paraphernalia), drugs (including paraphernalia), controlled substances, intoxicants, or performing enhancement drugs will be subject to referral to the legal authorities as indicated by law and will be categorized as having a first test positive. Re-admittance of any student after suspension under this provision will be conditioned on the consent of the student and parents or guardians to allow testing of said student for drugs, alcohol, or performing enhancement drugs at the school's discretion.

A student who is found to be in possession of alcohol, tobacco, e-cigarettes (including paraphernalia), controlled substances, intoxicants, performance enhancement drugs, or drugs (including paraphernalia), or uses alcohol, tobacco, e-cigarettes, controlled substances, intoxicants, performance enhancement drugs, or drugs in the school building, on the school grounds, or at any school sponsored activity, including those being held at other schools or off-campus locations, will be subject to suspension and expulsion.

Columbia Academy students who are evidenced by social media as using or in possession of alcohol, tobacco, e-cigarettes, controlled substances, intoxicants, performance enhancement drugs, or drugs (including paraphernalia) of any sort, whether at a school function or a non-school function, will be subject to disciplinary action of suspension and/or expulsion.

Drug dogs may be brought in at various times during the year without being announced to check cars, lockers, book bags, purses, and a student's person.

DRUG TESTING

Columbia Academy has implemented a drug testing program to assist and benefit the students of Columbia Academy. The board of directors, administration, and faculty strongly believe that the use and abuse of drugs (excluding those prescribed by a physician to treat a specific medical condition) can:

1. Be detrimental to the mental and physical wellbeing of its students, no matter when such usage should occur during the year.
2. Seriously affect the performance of individuals as students;
3. Be dangerous to the student and his/her classmates.

PURPOSE OF THE PROGRAM

The purpose of the Columbia Academy Drug Screening Program is as follows:

1. To educate students concerning dangers of drug abuse.

2. To help prevent any drug use and abuse by the students of Columbia Academy.
3. To identify any student who may be using drugs and to identify the drug.
4. To provide reasonable safeguards in order that every student is medically competent to participate in school-related activities.
5. To remove the stigma of drug abuse from those students who are not drug users.
6. To reassure students, parents and the community that the health and academic progress of each of its students is the primary goal of Columbia Academy.
7. To re-emphasize to the student his/her responsibility as a positive role model on or off campus.

PROCEDURE

Each student in grades 7th-12th and the parents or guardians of each student in grades 7th-12th must sign a consent form, which authorizes the drug screening of each student. This consent form will be a part of the school handbook insert. The testing procedure shall be:

1. Every student in grades 7th-12th will be tested for drugs during the school year and will be subject to random testing at any time therein. The number of tests conducted each year will be determined by the Headmaster.
2. The method of testing in the form of urinalysis.
3. The collection and coding of specimen samples are executed in a manner ensuring total confidentiality and identification.
4. The samples will be collected and analyzed using the most up-to-date methods of pathologists.
5. If a student refuses to take a test, it will be considered a first test positive and will be probable cause for expulsion.
6. Students will have a maximum time of 60 minutes to provide a urine specimen. After 60 minutes, the student can either provide a hair sample and pay the entire amount of the hair test. The student's parent or guardian will be contacted to give permission for the student to be transported to an off campus testing site for testing or the parent may transport the student to the testing site. The facility used will be determined by the school. A parent will be required to meet the student and administrator at the testing site to provide authorization for the test to be conducted. The cost of the test will be paid by the parent.

All specimens showing a positive result will automatically be retested using the remaining available sample by the testing laboratory immediately to assure that no error has occurred. The second test will be a more specific test. If the first positive result is verified and confirmed, the following steps will be taken:

FIRST INCIDENT OF POSITIVE TEST RESULTS

1. The Administration is advised of the results.
2. The student and parents or guardians are advised.
3. Depending upon the attitude and responsiveness of students and parents, the student is subject to expulsion or will be required to attend a drug counseling program at the expense of the student. The drug counselor will be determined by the Headmaster. The student will be suspended from school for three days due to a drug policy violation.
4. If drug counseling is required rather than expulsion, the drug counselor will determine the length and manner of the program to best suit the student. The student will follow the

recommendations specified by the assigned drug counselor. The counselor will report to the school and communicate recommendations when counseling has been completed. A final off-site drug test must be conducted.

5. The student is suspended from extra-curricular activities during this drug counseling period. An off-site drug test will be conducted and the student must have a clean drug test screening prior to participation in extracurricular activities. The site for this testing will be determined by the school and a parent must accompany the student for this test. A school administrator will transport the student to the facility and the parent will meet them at the testing facility. The time and date for this test will be determined by the school. The parent and the student will not be given advance notification of when the test will be administered.
6. After a first positive test, the student is subject to take every test given at CA while the student is attending CA. A clean drug screen will be required prior to the student being allowed to participate in extracurricular activities.

SECOND INCIDENT OF POSITIVE RESULTS

The specimen showing a positive result will be re-tested immediately to assure that no error has occurred. If the positive result is verified and confirmed then the following steps will be taken:

1. The Administration is advised of the results.
2. The student and parents or guardians are advised.
3. The student will then be expelled from Columbia Academy.

Students will not be permitted to sit in parked vehicles at any time during the school day or school activities. Upon entering the school campus, all radios and music should be turned to a low volume. Students must park their vehicle in the designated area and exit the vehicle immediately.

Parking permits must be purchased in the Business Office if a student parks a vehicle on the school campus. All students with parking permits are required to put a school issued CA decal on the back window of their vehicle. The cost of the permit for the year is \$25.00 and if the permit is purchased during the second semester the cost is \$12.50. Every student who drives his/her own vehicle to school will be required to buy a parking permit and park in an assigned spot during school hours. To obtain a parking permit, drivers must supply the Business Office with a description of the vehicle being driven, the corresponding tag number, a copy of their driver's license, and a copy of their current liability insurance card.

No student is allowed to drive any ATV or any other non-registered vehicle on campus without permission from the Administration.

A student may NOT return to his vehicle during the day without special permission. Students who drive a vehicle or ride in vehicles driven by students will be dismissed each school day at the ringing of the bell at 3:00 P.M.

The speed limit on campus is 5 MPH. Duty teachers will have the authority to issue detention to students who exceed the speed limit or drive dangerously.

No student should leave the campus during or after school with any person other than his/her regular ride without special permission from parents via a note or telephone call to the office.

Any vehicle may not advertise or carry innuendos pertaining to drugs, sex, or alcohol or any other lettering that would conflict with the Christian philosophy of Columbia Academy.

Tinted Windows on Automobiles (According to the Mississippi Highway Patrol): Minimum amount of light must be 35%. Maximum light reflective must be 20%. The vehicle must have a sticker stating compliance. This is a small sticker found just above the inspection sticker.

Vehicles on campus, whether properly registered or not, may be searched when there is reasonable cause to believe that the rules, regulations, or policies of Columbia Academy are being violated. The Administration may request that a student unlock the vehicle or any compartment thereof.

The Administration reserves the right to suspend or refuse to allow driving privileges of any student when regulations are not followed.

Members who fall below this standard will be warned and given one nine-week grading period in which to correct the deficiency.

If the situation is not corrected within that time, a student is considered inactive and is unable to participate in chapter activities. Serious infractions can result in immediate dismissal from the chapter. A copy of the constitution and by-laws of the NHS is available from the sponsor.

ACTIVITY POLICY

Students representing Columbia Academy through inter-school activities are to maintain adequate academic standards and acceptable moral behavior. Columbia Academy reserves the right to restrict a student’s participation in any inter-school activity because of inadequate performance/behavior at school or off campus.

ELIGIBILITY

Columbia Academy students participating in any extracurricular activities are subject to the guidelines adopted by the MAIS, its governing committees, and the Columbia Academy Board of Directors concerning inter-school competition as well as the following requirements concerning eligibility during the school year.

1. To be eligible for the first semester of a school year, a student must have accumulated four (4) major units (credits) the previous academic year. (Previous academic year is interpreted to be a complete year or any part of a school year in which a student is enrolled at either a member school or a non-member school). Seventh and eighth graders must have passed four (4) major subjects.
2. To be eligible for the second semester, a student must pass 4 major units (credits) the first semester of that same academic year. Seventh and eighth graders must have passed four major subjects.
3. A student who becomes ineligible after the first semester may become eligible again if after the third nine weeks he/she is passing four (4) major units (courses) to the extent that they should pass those courses for the year. This determination will be made by the Headmaster and the Athletic Director. If the student has not brought the grades up to passing, the student will be ineligible for the remainder of the year.

Anyone becoming ineligible under this policy will not be able to practice after school or participate in any game or contest. The student may participate in the strength and conditioning program during school hours.

It is impossible to cover every possible contingency; therefore, the Headmaster, the Board of Directors, and/or or the Eligibility Committee of the MAIS is empowered to review and consider any request concerning eligibility and any item not specifically covered by Columbia Academy or MAIS regulations.

SPORTSMANSHIP

Columbia Academy has produced athletic teams with fine records in sportsmanship as well as in the number of games won. We feel that our student body and adult spectators should live up to the high standards of sportsmanship exemplified by our athletic teams.

Whether the game is played by elementary, junior high, or high school students, we urge everyone to remember that the evaluation of our school and community depends not only on the sportsmanship of our players but also on the fans and spectators.

We must remember that sportsmanship is something we take with us to the game. When we attend games out of town, we reflect the spirit of our school and our community in public places just as we do at home games. Adult spectators are expected to respect all players, coaches, officials, and other fans. Spectator action can cause the school to have fines levied against it and receive probationary status. Spectators must not address any player, coach, or official in any derogatory manner. Any fine levied against Columbia Academy because of fan misconduct will be billed to that patron.

PLAYER EJECTION (MSAIS RULE)

- Schools will be responsible for disciplining an athlete after his/her first ejection.
- Any player that is ejected for the second time in a school year will not be allowed to participate in athletics for two (2) weeks.
- Any player ejected for the third time in a school year will be banned from participating in athletics for the remainder of the school year.

Columbia Academy reserves the right to take further actions than the MAIS requires. In addition, a player that exhibits unsportsmanlike behavior not warranting an ejection will be subject to disciplinary action by the school.

FAN EJECTION

All fans in attendance at CA athletic competitions, whether on-campus at CA or at another school or venue, are expected to show good sportsmanship. Any fan ejected from an athletic competition will be responsible for paying both the fine assessed to the individual for being ejected and the fine assessed to Columbia Academy for the fan ejection.

REGISTRATION REQUIREMENT

Before a child practices or tries out for any sport, they need to be presently attending or registered and accepted to attend Columbia Academy.

LETTERING/LETTERMAN JACKETS

In order to receive a letterman jacket, a student must have participated in and completed a varsity sport or have been a member of the cheerleading squad, dance team, or show choir as a varsity member and completed the season or year. VARSITY MEANS grades 10, 11, AND 12. For sports, substantial inter-school competition is required to letter. Participating in a varsity sport/activity while in junior high does not qualify. Participation and awards earned on the varsity level while in junior high can and should be acknowledged when the student does receive the jacket as a junior, pursuant to policy.

The wearing of a letterman jacket is a privilege earned by participation and completion of these activities, pursuant to policy.

Students will be allowed to order their letterman jackets in the beginning of their junior year. The cost of the jackets will be the responsibility of the student. The jackets will be ordered through the Cougar Store.

Students are responsible for purchasing all individual patches, such as MVP, All Star, All-District, and so forth. State Championship patches will be paid for by the school.

GAME/CONTEST DAY SCHOOL ATTENDANCE

To participate in any activity, (i.e. Sports, Cheerleader, Dance Team, and Show Choir) the participant must attend at least three (3) complete academic periods the day of the activity. Elementary students must be present for a minimum of three hours. Any exception to this policy must be approved by both the Athletic Director and the Headmaster. Any exception should be limited to family tragedy or medical issues supported by proper documentation.

COMPLETION OF SPORT

If a student starts one sport and quits before the completion of that sport's season, he will not be able to participate in another sport (play or practice) until the initial sports season is complete. Any student who quits an activity will not be recognized for that activity at any awards program.

All student athletes will be supervised by the corresponding coach through the completion of the sports season. No athlete will be allowed to drop a sport mid-season.

CHEERLEADERS

Cheerleaders will be under the direction of the cheer coach and must attend all home games, play-off games, and practice sessions unless excused by the sponsor. Cheerleaders are expected to cheer during football as well as basketball games. Cheerleaders will be required to cheer at all home basketball games, district away games, and post-season tournaments. Failure to do so will result in dismissal from the group and forfeiture of any rights of the cheerleading group (i.e., they may not be recognized at the Athletic Awards Program). Any cheerleader who does not represent Columbia Academy in a respectable manner (e.g. fighting, suspension, use of ugly language, or cheating) will be dismissed from the squad. Cheerleaders are representatives of the school at all events in which they participate, and as such, their conduct must be above reproach and consistent with standards set by Columbia Academy.

When tryouts for cheerleaders are held in the spring, each child wishing to try out must be registered and accepted to attend Columbia Academy for the next school year.

Cheerleaders will be subject to the cheerleader code. (See cheerleader sponsor or the Headmaster for a copy.)

Music to be used in any performance at Columbia Academy or for school activities must be submitted for approval by the Headmaster or Assistant Headmaster.

HOMEWORK

Athletes must turn-in all long-term assignments (reports, essays, projects, etc.) on the due date whether the date is a game day or the day after. Students should turn in these assignments before they leave school if they will not meet that class due to an early departure.

A student athlete is not required to take a test or turn in an assignment on the day after an away game, unless the test or assignment was announced two days before.

Athletes will have one extra day to turn in homework assigned during any period on the day of an "away" game. Students are responsible for getting this work turned in on time.

Assignments are posted on FACTS or Google classroom and may be viewed daily by students and parents.

TESTS

This policy applies only to "away" games. All work, whether homework or tests, is due as normal on days of "home" games. For tests missed due to early school departure on the game day of away games, students must take the test within the next two school days.

For classes missed due to games played on Friday: It will be the athletes' responsibility to get all assignments, if any, which were given on Friday and be prepared for class on Monday (including preparing for any test given on Monday).

TRANSPORTATION

All students participating in a Columbia Academy activity and utilizing school transportation must return from that activity using the same transportation, unless the parent/guardian completes a form provided by the school for that activity, dated on that date, releasing the student to a specific person who will be at that activity.

NO EXCUSED ABSENCES

No student will be excused for being tardy the day following an activity, regardless of the returning time from the activity. A doctor's excuse is the only excuse accepted on days immediately following an activity.
